**Subject:** RE: Mineral Rights Inquiry

Good morning,

Our records do not indicate any severed mineral rights for this property. So, we can presume that the mineral rights remain with the surface owner. If you have any questions, let me know. Have a great day!

Best,

Vhskdq l#Tulilq#

Hi Stephanie:

Can you please search mineral rights for TSN 6504300049?

Thanks,

Kim
