RE: Status of Public Improvements on Gleneagle Drive for water and sewer line installation for Golf Course Redevelopment

Dear Craig:

The purpose of this letter is to inform you that the public improvements in Gleneagle Drive are complete. We have been involved in the inspection of the utilities and the construction has complied with all of the Donala design standards for utility line installation. The Donala Water and Sanitation District will accept the utilities, as installed, once we receive the "as built" drawings and copies of the videos of the mains. Until such time as we received these two outstanding matter, we will unconditionally accept the utility improvements.

If you need any additional information, please feel free contact me.

Regards,

Kip Petersen  
General Manger
