Subject: Widefield Water and Sanitation District Drinking Water Mitigation System, Operations and Maintenance Manual Plan

Dear Ms. Ruiz,

AECOM was retained by the United States Army Corp of Engineers to perform the design and construction of the Drinking Water Mitigation System (DWMS) for the Widefield Water and Sanitation District, Colorado Springs, Colorado. Please see Project Summary and Construction Drawings for additional project details. The following is information regarding the preparation of the Operation and Maintenance Manual.

**Operation and Maintenance Manual**

The Operation and Maintenance Manual for the Widefield Water and Sanitation District DWMS will be completed upon completion of construction.

Sincerely,

Bill Wemmert, PE
