Subject: Widefield Water and Sanitation District Drinking Water Mitigation System, Schedule

Dear Ms. Ruiz,

AECOM was retained by the United States Army Corp of Engineers to perform the design and construction of the Drinking Water Mitigation System (DWMS) for the Widefield Water and Sanitation District, Colorado Springs, Colorado. Please see Project Summary and Construction Drawings for additional project details. The following is the anticipated construction schedule for Widefield DWMS.

**Schedule**

Construction is anticipated to commence in April of 2019 and complete in fall of 2020.

Sincerely,

Can you provide a more detailed schedule that will tell us where construction will begin, the overall phasing, etc. This will inform us as to the impacts.

Bill Wemmert, PE
