Subject: Widefield Water and Sanitation District Drinking Water Mitigation System, Stormwater Management Plan

Dear Ms. Ruiz,

AECOM was retained by the United States Army Corp of Engineers to perform the design and construction of the Drinking Water Mitigation System for the Widefield Water and Sanitation District, Colorado Springs, Colorado. Please see Project Summary and Construction Drawings for additional project details. The following is the intent for the Stormwater Management Plan (SWMP).

Stormwater Management Plan

AECOM is preparing a SWMP consistent with UDFCD. The SWMP will be provided to El Paso County when complete.

Sincerely,

Bill Wemmert, PE

Refer to the El Paso County Engineering Criteria Manual, Appendix E for the Stormwater Management Plan (SWMP) checklist. The SWMP must include all items in the checklist.
