Subject: Ponderosa Pines Estates Subdivision, 2nd Submittal (VR-23-024)

Hello Ryan,

The Park Planning Division of the Parks and Community Services Department has reviewed the 2nd submittal of the Ponderosa Pines Estates Subdivision application and has no additional comments. The following administrative comments were submitted on behalf of El Paso County Parks on December 20, 2023:

The applicant requests to create four lots out of two existing lots totaling 3.06 acres. The site is zoned RR 0.5, one half acre residential lots. The site is located on the south side of Highway 105 off Cloven Hoof Road between Monument and Palmer Lake, CO.

The El Paso County Parks Master Plan shows no parks, trails, or open space impacted by the proposed subdivision. The subdivision is ¼ of a mile south of the New Santa Fe Regional Trail, which resides on the northern side of Highway 105. The New Santa Fe Open Space lies less than a mile to the northwest of the subdivision.

As no park lands or trail easement dedications are necessary for this minor subdivision, El Paso County Parks staff recommends fees in lieu of land for regional and urban park purposes. As the Park Advisory Board has elected not to review and endorse minor subdivision applications, these comments are being provided administratively.

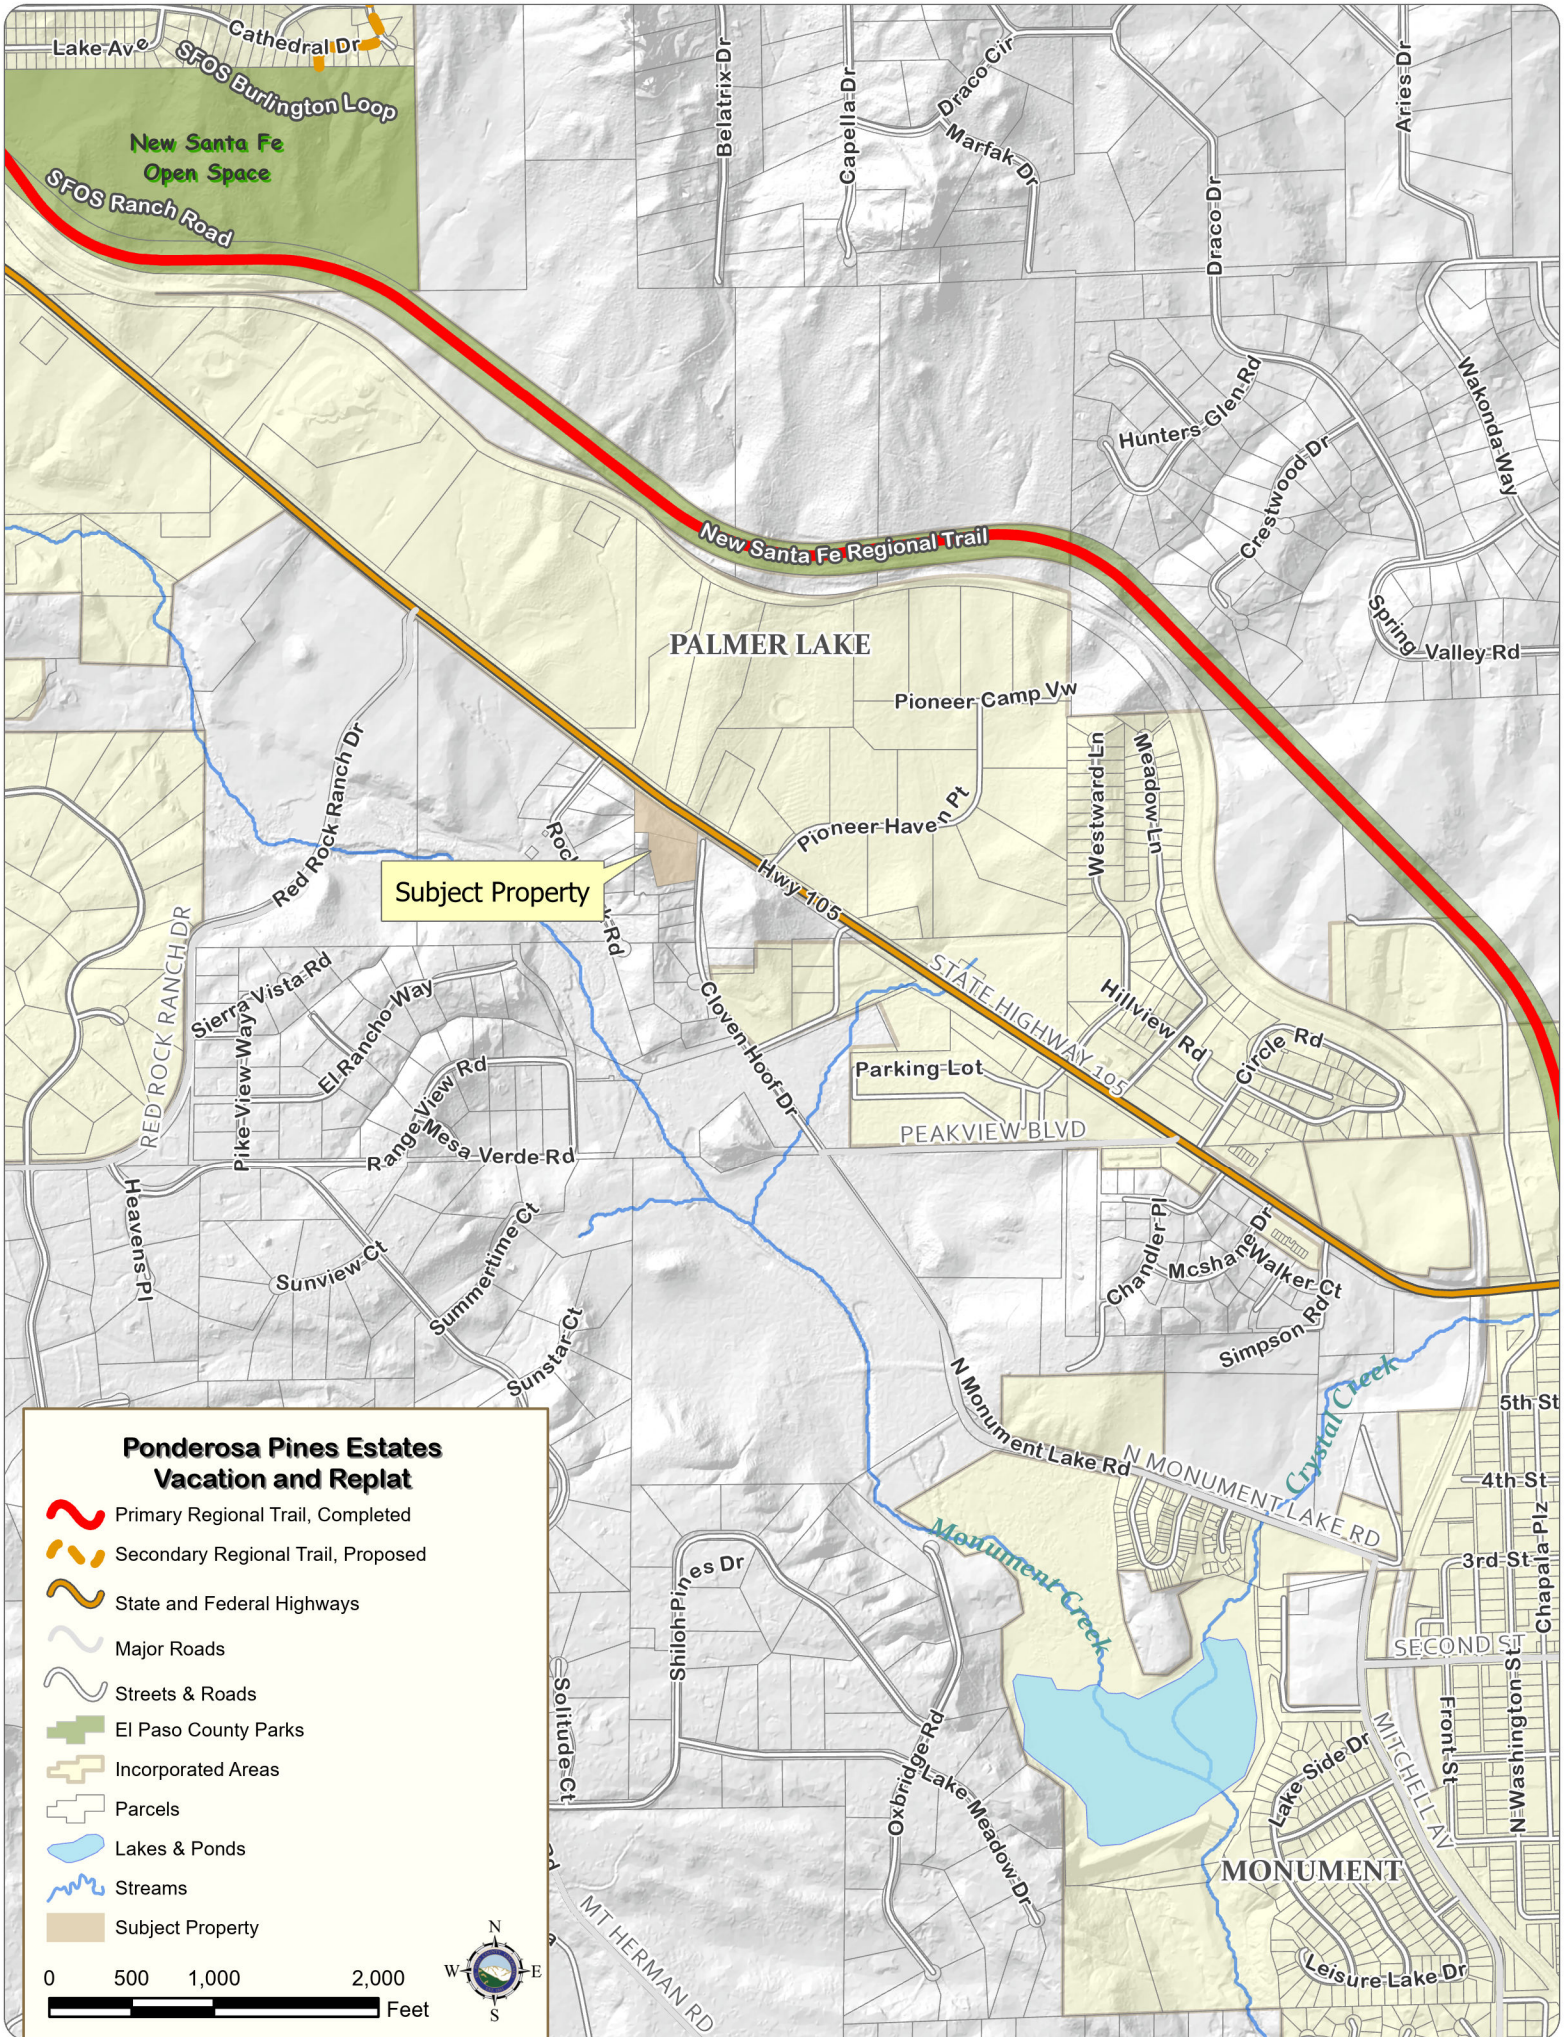

Staff Recommendation:

Recommend to the Planning Commission and Board of County Commissioners that approval of the Ponderosa Pines Estates Subdivision include the following condition: require fees in lieu of land dedication for regional park purposes in the amount of \$2,020 and urban park purposes in the amount of \$1,212 which are due at the time of recording of the final plat.

Please let me know if you have any questions or concerns.

Sincerely,

Ross A. Williams
