Re: Letter of Intent for 2825 and 2819 Slocum Rd – 2 Lot Sub.

To Whom it May Concern,

The intent of this project is to subdivide the existing parcel 4336000004 comprising 38.06 acres in El Paso County into (2) lots of 19.03 acres. 2825 Slocum Road will be platted as Lot 1. No improvements will occur to Lot 1. Lot 1 will keep existing well (Permit NO.224050) and driveway. 2819 Slocum Road will be platted as Lot 2. Lot 2 will pull permits for a new well, driveway of Slocum Road and electrical service, per agreement between Lot 1 and Lot 2 ownership.

Respectfully,
