Date: June 1, 2021

From: Chris Quinn

Dept.: Development Services

Re: Colorado Springs Utilities (CSU) determination on proposed pole barn at 11390 Valle Verde Drive.

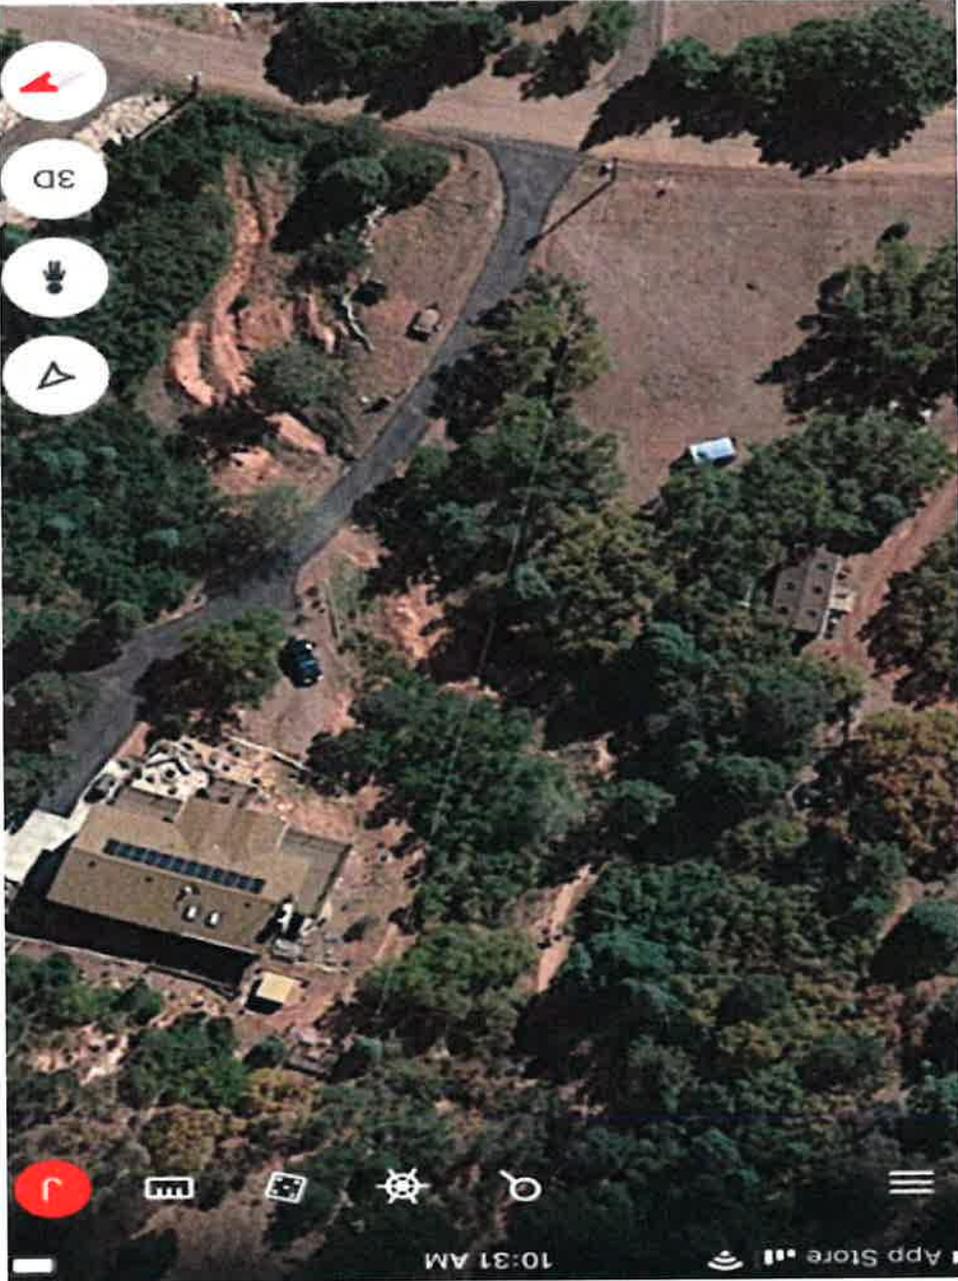

This memo is intended to address any CSU concerns with the proposed construction of a 40 foot by 30 foot detached 'Uni-Frame Embedded' building on the above referenced property. The customer submitted site location for this proposed structure is as follows:

CSU does NOT OBJECT to the above location of the proposed structure if permitted/constructed as submitted by the applicant on June 1, 2021 (Mr. Jody Hakala). This is proposed to be a 40 foot by 30 foot building located a distance of 5 feet from the southerly side lot line and 25 feet from the Southeasterly front lot line along Valle Verde Dr.
