- 13. Property within this subdivision is subject to the terms and provisions of the El Paso County Road Impact Fee Program (Resolution No. 19-471) and any subsequent amendments. Fees for each Lot within this subdivision shall be paid in full at the time of building permit issuance.
- 14. The subdivider(s) agree on behalf of him/herself and any developer of builder successors and assignees that subdivider and/or said successors and assigns shall be required to pay traffic impact fees in accordance with the El Paso County Road Impact Fee Program (Resolution No. 19-471), or any amendments thereto, at or prior to the time of building permit submittals. The fee obligation, if not paid at final plat recording, shall be documents on all sales documents and in plat notes to ensure that a title search would find the fee obligation before sale of the property.
- 15. No lots shall be sold, conveyed or transferred, whether by deed or by contract, and no construction permits for the subdivision or building permits shall be issued, unless and until either the required public and common development improvements have been constructed and completed and preliminarily accepted in accordance with the Subdivision Improvements Agreement (SIA) recorded under Reception No. _____ __ in the Office of the Clerk and Recorder of El Paso County, Colorado or, in the alternative, other collateral is provided to make provision for the completion of said improvements in accordance with the El Paso County Land Development Code and Engineering Criteria Manual. Any such alternative collateral must be approved by the Board of County Commissioners or, if permitted by the Subdivision Improvements Agreement, by the Planning and Community Development Department Director and meet the policy procedure requirements of El Paso County prior to the release by the County of any lots for sale, conveyance or transfer.

This plat restriction may be removed or rescinded by the Board of County Commissioners or, if permitted by the Subdivision Improvements Agreement, by the Planning and Community Development Department Director upon either approval of an alternative form of collateral or completion and preliminary acceptance by the El Paso Board of County Commissioners of all improvements required to be constructed and completed in accordance with said Subdivision Improvements Agreement. The partial release of lots for sale, conveyance or transfer may only be granted in accordance with any planned partial release of lots authorized by the Subdivision Improvements Agreement.

- 16. A geologic hazard evaluation was prepared for this property by CTL|Thompson, Inc., final report dated September 8, 2022, and can be found in file SF2317 available at El Paso County Planning and Community Development Department. The property was not found to be impacted by geologic hazards that preclude development of the site as planned. Geologic hazards and constraints at the site may include expansive soils, collapsible soils, and undocumented fill. The potential geologic hazards were found to be sporadic at the site. The impact and mitigations of any potential geologic hazards should be evaluated by the geotechnical engineer upon performing a site specific, design-level geotechnical investigation at such time individual lots are developed.
- 17. This subdivision is surrounded by agricultural land. Property owners may be impacted by sounds, smells and/or activities associated with active agricultural practices. Pursuant to Article 3.5, Title 35, C.R.S., it is the declared policy of the State of Colorado to conserve, protect, and encourage the development and improvement of its agricultural land for the production of food and other agricultural products. Colorado is a "Right-to-Farm" State pursuant to C.R.S. 35-3.5-101, et seq. Landowners, residents and visitors must be prepared to accept the activities, sights, sounds, and smells of agricultural operations as a normal and necessary impact of living in a county with a strong rural character and a healthy agricultural sector. State law provides that ranching, farming, or other agricultural activities and operations shall not be considered to be nuisances so long as operated in conformance with the law and in a non-negligent manner. Therefore, all must be prepared to encounter noises, odors, lights, mud, dust, smoke, chemicals, machinery on public roads, livestock on public roads, storage and disposal of manure, and the application by spraying or otherwise of chemical fertilizers, soil amendments, herbicides, and pesticides, and one or more of which may naturally occur as a part of legal and non-negligent agricultural operations. (Used when subdivision is adjacent to an existing agricultural operation such as feedlot, farmed field, or when determined necessary by the Project Manager).

18. EXISTING ENCUMBRANCES PER TITLE REPORTS

This plat does not constitute a title search by R&R Engineers-Surveyors to determine ownership and/or easements of record. Easement research and ownership information were provided by client in the title commitment prepared by Land Title Guarantee Company for Old Republic National Title Insurance Company as order number RND55109421 with an effective date of January 30, 2023 at 5:00 P.M. According to said title commitment, the following documents listed in the Schedule B, Part II (Exceptions) affect this property. The plottable matters listed therein, if they are still in affect, are plotted on the map sheets. If any other easements and/or encumbrances affect this property, their existence is unknown to this surveyor and are not listed below. The item number listed below, before each document's recording information directly relates to the Schedule B, Part II item number in said title commitment. Items 1 through 8 are standard exceptions, do not cite any document for surveyor to review and are not addressed and/or listed below.
