NOTICE TO PROPERTY OWNERS

No information is included on the administrative relief. Please notice for the administrative relief.

Dear Property Owner:

This letter is being sent to you because M.V.E., Inc., on behalf of GNC Bunting LLC, is proposing a land use project on the property having addresses of 1724 and 1728 Hampton South in El Paso County, Colorado. The project site is 0.51± acres in area and is located on the north side of Hampton South, about 750 feet east of B Street and about 320 feet west of Chamberlin Street as shown on the attached Vicinity Map. The subject property is zoned RM-30 (Residential Multi-Dwelling) for multi-dwelling family residential use. This information is being provided to you prior to the submittal with the County. The proposed development incorporates the properties with Tax ID numbers of 6505408034 and 6505408035. Please direct any questions on the proposal to the referenced contacts below.

The proposal is for approval the Final Plat of Bunting Multi-Family Filing No. 1. The existing configuration consists of two parcels. The proposed replat will relocate the lot line between the two parcels and the proposed subdivision will still have two lots. This will allow the construction of two four-plex multi-family residential buildings. The proposed project will provide a multi-family residential housing lot in accordance with the requirements of the County's RM-30 zone, similar in nature to the adjacent surrounding properties.

Prior to any public hearing on this proposal a notification of the time and place of public hearing will be sent to the adjacent property owners by the El Paso County **Development Services Department**. At that time you will be given the El Paso County contact information, the file number and an opportunity to respond either for, against or expressing no opinion in writing or in person at the public hearing for this proposal.

Any questions regarding this project should be directed to:
