Hi Craig! I received two additional requests for alternative designs from Clayton Homes. You approved requests for the same proposed alternative design on other Clayton Homes lots.

Both proposed structures are identical in design: center is 24 x 30 x 14, left enclosed lean to is 12 x 30 x 9 and right lean to is open 10 x 30 x 8. Enclosed total area 1080 sq ft. See attached pictures.

- 7420 Henderson Road  
RR-5  
37.87 acres  
Structure will remain empty until property is sold
- 7141 Henderson Road  
RR-5  
36.85 acres  
Structure will remain empty until property is sold

Thank you,
