Dear Ms. Ruiz:

Mountain View Electric Association, Inc. (MVEA) has these comments about the following:

Project Name: North Bay at Lake Woodmoor

Project Number: PUDSP-16-004

Description: Lake Woodmoor Holding, LLC is requesting approval to Rezone an approximately 7.23 acre parcel to PUD, Preliminary Plan and a Final Plat for townhome lots and tracts. This development is located east of Woodmoor Drive and south of Deer Creek Road in Section 11, Township 11 South, Range 67 West.

This area is within MVEA certificated service area. MVEA will serve this area according to our extension policy. Information concerning connection requirements, fees and upgrades under MVEA line extension policy can be obtained by contacting the Engineering Department of MVEA.

MVEA requests a blanket utility easement in order to give flexibility to both MVEA and the developer with the design of this housing complex and the infrastructure of the electric service. The blanket utility easement needs to include open space, drainage and landscape to allow for the design to all townhomes in order to serve.

MVEA has existing facilities near and within this parcel of land. If there is any removal or relocation of facilities it will be at the expense of the applicant and a review of easements will be required in order to serve.

If additional information is required, please contact our office at (719) 495-2283.

Sincerely,

Cathy Hansen-Lee
Engineering Administrative Assistant
