Subject: North Bay at Lake Woodmoor PUD Development Plan/Preliminary Plan (PUDSP-16-004) – Review #5

Hello Nina,

The Park Operations Division of the Community Services Department has reviewed the North Bay at Lake Woodmoor PUD Development Plan/Preliminary Plan, Review #5, and has no new additional comments on behalf of El Paso County Parks. Parks staff appreciates the inclusion of internal trails throughout the development as a means to connect residents to the surrounding neighborhood and Lake Woodmoor itself. The following comments and recommendations were presented to and endorsed by the Park Advisory Board on January 11, 2017:

“Request for approval by N.E.S., Inc., on behalf of Lake Woodmoor Holdings, Inc., of the North Bay at Lake Woodmoor PUD Development Plan/Preliminary Plan and Final Plat. The site is located northeast of Monument, just north of Lake Woodmoor near the intersection of Deer Creek Road and Woodmoor Drive. The property consists of 7.23 acres, with 28 residential townhome lots and 5 tracts and is currently zoned R-4, however, a PUD Development Plan/Preliminary Plan rezone is being processed concurrently.

The 2013 El Paso County Parks Master Plan shows no regional trails running through or directly adjacent to the proposed subdivision. The proposed Jackson Creek Regional Trail, Cherry Creek Regional Trail, and Highway 105 Bicycle Route are all located 0.75 mile south of the property, while the existing New Santa Fe Regional Trail is located 0.75 mile to the west of the property. North Bay at Lake Woodmoor does not lie within any candidate open space area.

The North Bay at Lake Woodmoor PUD Development Plan/Preliminary Plan shows 4.55 acres of open space/landscape area, thus providing for 63% open space within the development. As no trail easements dedications are necessary for this filing, Parks staff recommends fees in lieu of land for regional and urban park purposes in the amounts shown below.
