Dear Mr. Green:

Mountain View Electric Association, Inc. (MVEA) has these comments about the following:

Project Name: Grandwood Ranch

Project Number: SF 2026

Description: It is proposed to develop Grandwood Ranch Subdivision with 48 single family residential lots at a minimum of 2.5 acres along with open spaces on approximately 150.96 acres. This development is located north of Higby Road and west of Roller Coaster Road in Section 19, Township 11 South, Range 66 West.

This area is within MVEA certificated service area. MVEA will serve this area according to our extension policy. Connection requirements may include provisions for necessary line extensions and or other system improvements, and payment of all fees under MVEA line extension policy. Information concerning these requirements can be obtained by contacting the Engineering Department of MVEA.

MVEA requests a ten (10) foot side and rear lot utility easement, fifteen (15) foot front lot utility easement along with a twenty (20) foot exterior easement on plat. If open space, drainage or landscape tracts are designed in this subdivision MVEA requests these areas be listed to include utilities. Additional easements may be required once a review of civil drawings with grading and erosion plan is provided to MVEA in order to serve this subdivision.

MVEA has existing facilities near this parcel of land. If there is any removal or relocation of facilities it will be at the expense of the applicant.

This Association is an equal opportunity provider and employer.
