---

Elizabeth,

Matt called me last Thursday, 8/1/19 and told me that you requested Classic Homes to get a letter from Entech Engineering Inc. to approve our processes and procedures for Pre-CTS proof rolls. As requested, please see attached letter from Entech Engineering Inc. approving just that. Please confirm that this is what you wanted? I have a Post-CTS proof roll scheduled with Matt, Entech Engineering Inc. and Martin Marietta this Wednesday, 8/7/19 @ 1pm. As long as our CTS breaks come back with-in specification and we pass our proof-roll, we hope to be paving the bottom mat starting Thursday morning.

Thank you,

Austin Lenz
