RE: Flying Horse North – Final Plat – (SF-18-001)

This is to inform you that the above-reference request for approval of final plat was heard by the El Paso County Board of County Commissioners on Tuesday, September 4, 2018, at which time approval was made to approve a final plat to create 80 single-family residential lots and 21 tracts comprised of a golf course, open space, drainage, and other uses. The applicant has requested concurrent review of a preliminary plan for 283 lots. The parcel is located west of Highway 83, south of Hodgen Road, and east of Black Forest Road. (Parcel Nos. 51000-00-334, 61000-00-075, 61000-00-526, and 61000-00-627)

This approval is subject to the following:

CONDITIONS

1. All Deed of Trust holders shall ratify the plat. The applicant shall provide a current title commitment at the time of submittal of the Mylar for recording.
2. Colorado statute requires that at the time of the approval of platting, the subdivider provides the certification of the County Treasurer's Office that all ad valorem taxes applicable to such subdivided land, or years prior to that year in which approval is granted, have been paid. Therefore, this plat is approved by the Board of County Commissioners on the condition that the subdivider or developer must provide to the Planning and Community Development Department, at the time of recording the plat, a certification from the County Treasurer's Office that all prior years' taxes have been paid in full.

3. The subdivider or developer must pay, for each parcel of property, the fee for tax certification in effect at the time of recording the plat.
4. The Applicant shall submit the Mylar to Enumerations for addressing.
5. Developer shall comply with federal and state laws, regulations, ordinances, review and permit requirements, and other agency requirements, if any, of applicable agencies including, but not limited to, the Colorado Division of Wildlife, Colorado Department of Transportation, U.S. Army Corps of Engineers and the U.S. Fish and Wildlife Service regarding the Endangered Species Act, particularly as it relates to the Preble's Meadow Jumping Mouse as a listed species.
6. Driveway permits will be required for each access to an El Paso County owned and maintained roadway. Driveway permits are obtained from the El Paso County Planning and Community Development Department.
7. The Subdivision Improvements Agreement, including the Financial Assurance Estimate, as approved by the El Paso County Planning and Community Development Department, shall be filed at the time of recording the Final Plat.
8. Collateral sufficient to ensure that the public improvements as listed in the approved Financial Assurance Estimate shall be provided when the final plat is recorded.
9. The Subdivider(s) agrees on behalf of him/herself and any developer or builder successors and assignees that Subdivider and/or said successors and assigns shall be required to pay traffic impact fees in accordance with the El Paso County Road Impact Fee Program Resolution (Resolution No. 12-382), or any amendments thereto, at or prior to the time of building permit submittals. The fee obligation, if not paid at final plat recording, shall be documented on all sales documents and on plat notes to ensure that a title search would find the fee obligation before sale of the property.
10. Park fees in lieu of land dedication for regional parks (Area 2) fees in the amount of \$34,400.00 shall be paid at time of plat recordation.
11. Fees in lieu of school land dedication shall be paid to El Paso County for the benefit of Academy School District No. 20 in the amount of \$22,338 and Lewis Palmer School District No. 38 in the amount of \$2,156 at time of plat recording.

12. Drainage fees in the amount of \$85,214.60 and bridge fee in the amount of \$13,751.40 for the Black Squirrel Creek (FOMO3600) drainage basin shall be paid to El Paso County at the time of plat recordation.
13. The use of the open space shall be restricted by recording a use restriction covenant, which shall be referenced in a plat note on the final plat.
14. If the water pumps located within the jurisdictional dam are removed, or are otherwise rendered inoperable, the HOA shall install an emergency drawdown pipe. The construction plans for the emergency drawdown pipe and all necessary associated improvements shall be reviewed for conformance with the Engineering Criteria Manual and approved by the County Engineer prior to construction and/or installation. The emergency drawdown pipe shall be installed within 60 days from the date of removal of the pump or the pump being rendered inoperable.
15. All remaining technical issues shall be resolved and all engineering documents shall be approved by the County Engineer prior to the plat recordation.
16. Building permits shall be limited to the first 40 lots as identified via plat note until such time as the developer has received approval of a new access permit from the Colorado Department of Transportation and provided the State with collateral for the roadway improvements to Highway 83.

NOTATIONS

1. Final plats not recorded within 24 months of Board of County Commissioner approval shall be deemed expired, unless an extension is approved.
2. The applicant is proposing to be included into the Public Improvement District No. 3 to satisfy the El Paso County Road Impact Fee program requirements

This represents the Planning and Community Development Department's understanding of the action taken by the Board of County Commissioners.

Should you have any questions, or if I can be of further assistance, please contact me at 719-520-6300.

Sincerely,

Nina Ruiz, Project Manager/Planner II
