### **Rock Creek Canyon-Snell Parcel Acquisition, EX-18-002**

Please accept the following comment from El Paso County Public Health for the project referenced above:

- **There is an existing onsite wastewater treatment system (OWTS) on the 8 acre parcel. Assurance must be made that all OWTS components and the well are entirely contained on the lot and meet the OWTS Regulations minimum installation setbacks.**
- **No other issues noted by El Paso County Public Health with the approval of this exemption request.**
