### **Arby's-Falcon, PPR-20-41**

Please accept the following comments from El Paso County Public Health regarding the project referenced above:

- Water service will be provided by Falcon Highlands Metropolitan District (FHMD). The water system is assigned the PWSID# CO-0121247 from the Colorado Department of Public Health and Environment.
- Wastewater service to be provided by Falcon Highlands Metropolitan District.
- Radon resistant construction building techniques/practices are encouraged to be used in this area. The EPA has determined that Colorado, and the El Paso County area have potentially higher radon levels than other areas of the country.
- El Paso County Public Health requires interior finish plans to be submitted for review and approval prior to commencement of construction.
- Earthmoving activity in excess of one acre, but less than twenty-five acres, requires a local Construction Activity Permit from El Paso County Public Health. Go to <https://www.elpasocountyhealth.org/service/air-quality/construction-activity-application> for more information.
