Megan,
Thank you for your comments.
I will include this in the file for the BOCC to review.

Best, Matthew

Subject: Proposed Development in Monument

I live in a neighborhood in Monument right off of County Line on the east side of I-25.

I'd like to express my deep concern and opposition to the proposed apartment complexes in this area. The infrastructure in this area will become way too congested and the noise and light pollution from a development like this will negatively impact the homes in this area.

Sincerely,
Megan Cagle
