Subject: P2214 oppose rezoning from CC to RM-30

Notes (Describe the issue for the Commissioner): I am writing in opposition to the rezoning of the NE intersection of Monument Hill Rd and Deer Creek Road from CC to RM-30. I am opposed as I am concerned about the safety of children walking to school in the area due to increased traffic and the lack of sidewalks when, if rezoned, the new residences would cause. The increased traffic would also negatively affect current residences going about their business, parents driving their children to school, and also new drivers trying to get to the High School. The roads are inadequate for handling the traffic. It also appears that the apartment plans wanting to be developed at that location would have inadequate parking for the residents (527 parking spaces for 600 residents). This issue is set to be discussed by the BOCC on Dec 6. Please vote NO
