Dear Mr. Sevigny:

Mountain View Electric Association, Inc. (MVEA) has these comments about the following:

**Project Name: CS Police Weapons Range Subdivision Exemption**

**Project Number: EX-192**

**Description:** Colorado Springs police department is proposing a weapon range on an approximately 183 acre parcel west of Interstate 25 and north of Pikes Peak International Speedway. This request is for a subdivision exemption for these parcels located in Section 4, 5 and 8, Township 17 South, Range 65 West.

This area is within MVEA certificated service area. MVEA will serve this area according to our extension policy. Connection requirements may include provisions for necessary line extensions and or other system improvements, and payment of all fees under MVEA line extension policy. Information concerning these requirements can be obtained by contacting the Engineering Department of MVEA.

MVEA has no objection to the subdivision exemption for this proposed weapons range.

There is a Transmission Line and facilities, which extend across all or a portion of the sections of this parcel of land. MVEA does not own or maintain these facilities.

If additional information is required, please contact our office at (719) 495-2283.

Sincerely,

Cathy Hansen-Lee
