Dear Property Owner,

This letter is being sent to you because Lorson LLC is proposing a land use project in El Paso County located east of Marksheffel Rd. and Fontaine Blvd within the existing Lorson Ranch community. This information is being provided prior to a Final Plat submittal with the El Paso County Planning and Community Development Department. Please direct any questions on the proposal to the referenced contact(s) as listed below.

The request being submitted to El Paso County is seeking approval of an application for a Final Plat. The proposed project is 15.764 acres with 85 lots for a density of 5.39 DU/ Acre. The proposed project is a continuation of the Lorson Ranch development. As part of this project new roadways and utility main extensions will be designed and constructed. The site is currently zoned RLM (Residential Low/ Medium 4-6 DU/ Acre) as illustrated on the Lorson Ranch Minor Sketch Plan Amendment approved April 21, 2016.

The site is suitable for the intended use of single family residential and is compatible with both the existing and allowed land uses found within the area. The site is undeveloped, vacant land with native grasslands and rolling topography.
