RE: Skyline at Lorson Ranch PUDSP

Dear Ms. Parsons,

Thank you for the opportunity to comment on the Skyline at Lorson Ranch Combined PUD/Preliminary Plan. Colorado Parks and Wildlife (CPW) has reviewed the project materials and visited the site. Based both on the location and type of action that is proposed, CPW believes impacts to the wildlife resource to be negligible.

We appreciate being given the opportunity to comment. Please feel free to contact District Wildlife Manager Philip Gurule, should you have any questions or require additional information at 719-227-5283 or via email at [philip.gurule@state.co.us](mailto:philip.gurule@state.co.us).

Sincerely,

Frank McGee
