

Akers Acres Subdivision No.1A
A Replat of Lot 3, Akers Acres
Subdivision 1,
Northeast Quarter, Section 32,
Township 13 South, Range 65 West of the
6th P.M., El Paso County, Colorado

Notes

- The following reports have been submitted in association with the Preliminary Plan or final Plan for this subdivision and are on file at the County Planning and Community Development Department: Drainage Letter; Water Resources Report; Wastewater Disposal report; Geology and Soils Report; Fire Protection Report; Wildfire Hazard Report; natural Features Report.
- All property owners are responsible for maintaining proper storm water drainage in and through their property. Public drainage easements, as specifically noted on the plat, shall be maintained by the individual property owners unless otherwise indicated. Structures, fences, materials or landscaping that could impede the flow of runoff shall not be placed in drainage easements.
- Unless otherwise indicated, all side, front and rear lot lines are hereby platted on either side with a 10-foot public utility and drainage easement unless otherwise indicated. All exterior subdivision boundaries are hereby platted with a 20-foot public utility easement. The sole responsibility for maintenance of these easements is hereby vested with the individual property owners.
- Developer shall comply with federal and state laws, regulations, ordinances, review and other permit requirements, and other agency requirements, if any, of applicable agencies including, but not limited to, the Colorado Division of Wildlife, Colorado Department of Transportation, US Army Corps of Engineers and the US Fish and Wildlife Service regarding the Endangered Species Act, particularly as it relates to the listed species (e.g. Preble's Meadow jumping Mouse).
- The addresses exhibited on this plat are for informational purposes only. They are not the legal description and are subject to change.
- No driveway shall be established unless an access permit has been granted by El Paso County.
- Mailboxes shall be installed in accordance with El Paso County and United States Postal Service regulations.
- Structural foundations on lots in this subdivision shall be designed by a Colorado Registered Professional Engineer in accordance with Soils and Geology.
- The subdivider agrees on behalf of him/herself and any developer or builder successors and assigns that the subdivider and/or said successors and assigns shall be required to pay traffic impact fees in accordance with the El Paso County Road Impact Fee Program Resolution (Resolution No. 19-471), or any amendments thereto, at or prior to the time of building permit submittal. The fee obligation, if not paid at final plat recording shall be documented on all sales documents and on plat notes to ensure that a title search would find the fee obligation before the sale of the property.
- Individual purchasers are responsible for constructing driveways, including necessary drainage culverts per Land development Code Section 6.3.3.C.2. and 6.3.3.C.3.
- There shall be no direct access to Marksheffel Road.
- Due to their length some of the driveways will need to be specifically approved by the Falcon Fire District.
- Road Impact fees will be assessed and **paid at time of** and paid at time of building permit for future development.
