Colorado Springs Utilities NE Gravel Staging Area, CC-21-2

El Paso County Public Health issues were not noted with the site approval; however, please accept the following comments from El Paso County Public Health regarding the project referenced above:

- No water and wastewater service to the site is proposed.
- Earthmoving activities greater than 25 acres require a Construction Activity Permit from the Colorado Department of Public Health and Environment, Air Pollution Control Division. Go to: <https://www.colorado.gov/pacific/cdphe/general-air-permits>
- The applicant must utilize dust control best management practices to control dust during storage, loading and off-loading of gravel and sand. Go to <https://www.elpasocountyhealth.org/service/air-quality/construction-activity-application> for more information.
