Legal Description

LOTS 13 AND 14 ANTELOPE ACRES SUB.

LDC-Inc is representing the above owners of the property located on Doe Trail. This property was subdivided and platted on December 9, 1971 as one 5 acre lot and one 10 acre lot. In 1974, someone split the 2 lots into 2 7.5 acre lots, creating an illegal subdivision and they have been that way since. That split was never approved by El Paso County.

This is a request to amend the original plat to create 2 lots in their present configuration. It will not change any ownership lines it is just creating the legal document formalizing the configuration that they are in. The existing houses and uses will remain as is.

The property will be posted advising interested parties where they can call or go to view documents and offer their comments

Sincerely,

Land Development Consultants, Inc.
