Hello,

El Paso County is in the process of revising the sign code in an effort to modernize the regulations as well as to remove all content-based regulations. The proposed revisions should not result in the sign allowances being reduced. We are seeking input from the industry prior to the item being scheduled for public hearing. Please review the attached redline revisions and provide feedback within 2 weeks, or by October 23, 2019. Thank you in advance for your input!
