To whom it may concern:

We purchased American Auto Salvage located at 12750 E. Highway 94, on August 29, 1980. It was an established automotive salvage yard when we purchased it in 1980. Daniel Conlin started the salvage yard in 1974. We continued to run this business as an automotive salvage yard, body shop, towing and storage business until we sold it to William Johnston. He continued to run this business until he sold it to Katram LLC in May of 1996.
