Agenda Item Summary Form

Agenda Item Title: North Bay at Lake Woodmoor PUD Development Plan and Preliminary Plan

Agenda Date: August 10, 2022

Agenda Item Number:

Presenter: Ross Williams, Park Planner

Information: **Endorsement:** X

Background Information:

This is a request for approval by N.E.S., Inc., on behalf of Lake Woodmoor Holdings, LLC., of the North Bay at Lake Woodmoor PUD Development Plan and Preliminary Plan. The project site is located northeast of Monument, on the north shores of Lake Woodmoor near the intersection of Deer Creek Road and Woodmoor Drive. The property consists of 7.23 acres, with 35 residential townhome lots and 5 tracts and is currently zoned R-4, however, a rezone to Planned Unit Development (PUD) is being processed concurrently.

The 2013 and 2022 El Paso County Parks Master Plans show no impacts to parks, trails, or open space. The proposed Jackson Creek Primary Regional Trail and Highway 105 Bicycle Route are both located 0.75 mile south of the property, while the existing New Santa Fe Primary Regional Trail is located 0.75 mile to the west of the property. Lewis-Palmer School District No. 38 is planning to construct the Lewis-Palmer Trail in the immediate vicinity of North Bay at Woodmoor. This trail will provide much-needed pedestrian connections to nearby neighborhoods, schools, businesses, and other local attractions to the west and south of the project site.

The 2022 El Paso County Parks Master Plan includes an update to the Candidate Open Space Areas, utilizing a weighted overlay of numerous natural and man-made attributes which contribute to strong candidate open space areas. North Bay at Lake Woodmoor falls completely within an updated Candidate Open Space Area. Located at the southern edge of the Black Forest, open space attribute values here include the surface water and wetland areas, floodplains, and moderate to high wildlife impacts. The project has received a Prebles Meadow Jumping Mouse clearance letter from the U.S. Fish and Wildlife Service, while the site development and drainage infrastructure are designed to reduce negative impacts to Lake Woodmoor and its floodplains, wetlands, and environmental habitat.

The North Bay at Lake Woodmoor PUD Development Plan and Preliminary Plan shows 4.07 acres of land dedicated to open space, landscape tracts, and drainage infrastructure, thus providing for 56.3% open space within the development. The letter of intent states the following in regard to parks, trails, and open spaces:

- *“All other tracts include public access, public utilities, public improvement, drainage, landscaping, mail kiosk, and private parking and provide 177,202 SF of open space, all owned and maintained by the North Bay at Lake Woodmoor HOA.”*

- *“The North Bay at Lake Woodmoor PUD Preliminary Plan includes an interconnected system of trails. Gravel and concrete walkways are provided throughout the development. The proposed gravel trail along Deer Creek Road is considered a part of the Lewis Palmer D38 Safe Routes to School grant. There is 177,202 SF (4.07 acres) of open space provided in this PUD.”*
- *“Open space and trails are identified on the PUD Preliminary Plan and provide residents with walking and access to biking opportunities. The development open space that accounts for approximately 56% of the total site area. The proposed gravel trail along Deer Creek Road is considered a part of the Lewis Palmer D38 Safe Routes to School grant.”*
- *“The project proposes interconnected sidewalks throughout the project that connect the open space tracts and the open space tracts. The wetlands on site are preserved, and no development is proposed in this area. The development conserves environmental features and provides interconnected open space and trails.”*

As no park land or trail easement dedications are necessary for this development, staff recommends fees in lieu of land dedication for regional and urban park purposes, to be paid upon the recording of the forthcoming final plats.

Recommended Motion (PUD Development Plan / Preliminary Plan):

The Park Advisory Board recommends that the Planning Commission and the Board of County Commissioners include the following condition when considering and/or approving North Bay at Lake Woodmoor PUD Development Plan and Preliminary Plan: fees in lieu of land dedication for regional park purposes in the amount of \$16,100 and urban park purposes in the amount of \$10,150 will be required at time of the recording of the forthcoming final plat(s).
