- Safe Route to School Access Point
- Roadway with Bicycle Lanes *
* Note: Bicycle lane may be located in roadway or adjacent to roadway
- Residential Development Area
- Open Space

The purpose of this exhibit is to demonstrate the intent of providing safe pedestrian routes for students. Safe routes to schools shall be provided for students living within a 1.0 mile radius of the Elementary school site per the requirements of Fountain-Fort Carson School District 8. Safe routes to schools locations are shown for conceptual purposes only.

The Middle School and High School students generated by this development shall be bused to the appropriate Middle School and High School locations of Fountain-Fort Carson School District 8.
