Rodent Farm Setback Variance, BOA-19-004

Please accept the following comments from El Paso County Public Health for the setback variance request referenced above:

- El Paso County Public Health understands this agenda item was heard at the 10July2019 Board of Adjustment Hearing, but offers these comments for the record.
- El Paso County Public Health has no issue with the property line dimensional variance of 144' where 200' is required.
- El Paso County Public Health does not regulate this activity; however, the food, water and solid waste plans in the Letter of Intent and are acceptable in terms of minimizing odors and insect attraction.
- The property was issued OWTS Permit #ON0049917 on 13Feb2019 for the replacement of portable toilet. The design is adequate for the proposed business plan.
