E02/ N02	REMOVE and DISPOSE existing signage. INSTALL new GCG-W-SF-70.
E03/ N03	REMOVE and DISPOSE existing signage. INSTALL new GCG-W-SF-70.
E04/ N04	REMOVE and DISPOSE existing signage. INSTALL new Door Vinyl.
E05/ N05	REMOVE existing interior signage (not shown on site plan). INSTALL new GCG-IW-SF-25.

Note: Total square footage of wall signs allowed for the entire building is 300 sqft. We divided that evenly over the 3 elevations, thus maximizing the total allowed. A low profile monument is allowed but based on our research, would not be visible/cost effective to install one as it would only be viewed once you were at the retailers address.
