Dear Mr. Sevigny:

Mountain View Electric Association, Inc. (MVEA) has these comments about the following:

Project Name: Mountain's Edge Subdivision

Project Number: SF 1826

Description: Approval is being requested for the Final Plat of Mountain's Edge Subdivision for five (5) residential lots on approximately 40 acres. This parcel is located northeast of McClelland Road and Scott Road in Section 13, Township 12 South, Range 63 West and is currently zoned RR-5 (Residential Rural).

This area is within MVEA certificated service area. MVEA will serve this area according to our extension policy. Connection requirements may include provisions for necessary line extensions and or other system improvements, and payment of all fees under MVEA line extension policy. Information concerning these requirements can be obtained by contacting the Engineering Department of MVEA.

MVEA notes the utility easements shown on the final plat of ten (10) foot front, side and back lot lines along with a twenty (20) foot exterior subdivision easement. MVEA also requests platting of existing MVEA facilities with easement on the plat. Additional easements may be required once a review of civil drawings with grading and erosion plan is provided to MVEA in order to serve this subdivision.

MVEA has existing facilities within this parcel of land. If there is any removal or relocation of facilities it will be at the expense of the applicant.

This Association is an equal opportunity provider and employer.
