RE: **The Retreat at TimberRidge Filing No. 2  
Public Storm Improvement Certification**

The public storm improvements for **The Retreat at TimberRidge Filing No. 2** consist of RCP culverts, rip-rap dissipators, curb inlets and RCP storm systems. Any channel improvements associated with this project will be handled on a separate certification. Based upon the information gathered during periodic site visits to the project during the construction and then after completion of construction of the storm improvements, Classic Consulting Engineers & Surveyors, LLC is of the opinion that the public storm improvements have been constructed in general compliance with the approved design plans and specifications prepared by Classic Consulting Engineers & Surveyors, LLC, as filed with El Paso County.

On behalf of the developer and based on recent County inspections of the site, Classic Consulting Engineers & Surveyors, LLC hereby requests the 2-year warranty period to begin.

STATEMENT OF ENGINEER IN RESPONSIBLE CHARGE:

To the best of my knowledge, information and belief, the referenced public storm improvements have been constructed in general compliance with the approved design plans and specifications as filed with El Paso County.
