DEVELOPMENT GUIDELINES ROLLING HILLS RANCH FILINGS 1-3 AT MERIDIAN RANCH PUD DEVELOPMENT PLAN

A. Project Description  
Rolling Hills Ranch Filings 1-3 at Meridian Ranch is the continuation of a long-term development with a distinct vision. The project centers on a recreational lifestyle by providing opportunities such as a golf course, recreation center, parks and open space, and trails for residents to enjoy. Overall Meridian Ranch common landscape elements such as fencing, street tree plantings, landscaping, and signage will establish a unique sense of place for this development. The parks and recreation center have been located in areas of higher density so more of the residents can access them by walking and provide a focal element to the neighborhoods. The golf course clubhouse is also a focal element for Meridian Ranch, Woodmen Hills, and possibly the greater Falcon area since the course is also open to the public. Lot sizes, setbacks, and landscape tracts are designed to provide a wide variety of housing options and prices within the development while ensuring open space and visually interesting streetscapes for the community.

B. Permitted and Accessory uses: Permitted and accessory uses are as identified in the use table below. These uses are also subject to the Covenants and approval of the Meridian Ranch Design Review Council No. 2.

Accessory structures shall be governed by architectural covenants regarding building colors and materials to be consistent with the primary structure of the site.
  - Projections into setbacks are governed by the Land Development Code, as may be amended.

- D. Lot Sizes
- The minimum lot size is 5,900 square feet.
  - The lot sizes, dimensions, and bearings, shown on the PUD Development/Preliminary Plan are conceptual only. The lot sizes, dimensions, and bearings will be established with the Final Plat and may vary from that shown on the PUD Development/Preliminary Plan.
  - The Final Plat will not create any additional building lots.
  - No subdivision of any lot will be allowed if such subdivision results in the creation of additional building lots.
  - Lot line adjustments, per Chapter 7 of the Land Development Code or as amended will not require an amendment of this PUD Development/Preliminary Plan.

E. Streets  
Streets within the Rolling Hills Ranch Filings 1-3 at Meridian Ranch Subdivision provide general vehicular circulation throughout the development. All streets shall be publicly owned and maintained. Construction will be to El Paso County Standards. All Streets shall be paved with curb and gutter. Sidewalks shall be provided on both sides of all streets illustrated on this plan.

F. Architectural Control Committee Review/Covenants

Where the provisions of the Covenants or the Development Plan conflict with a statute or code the more restrictive shall apply.

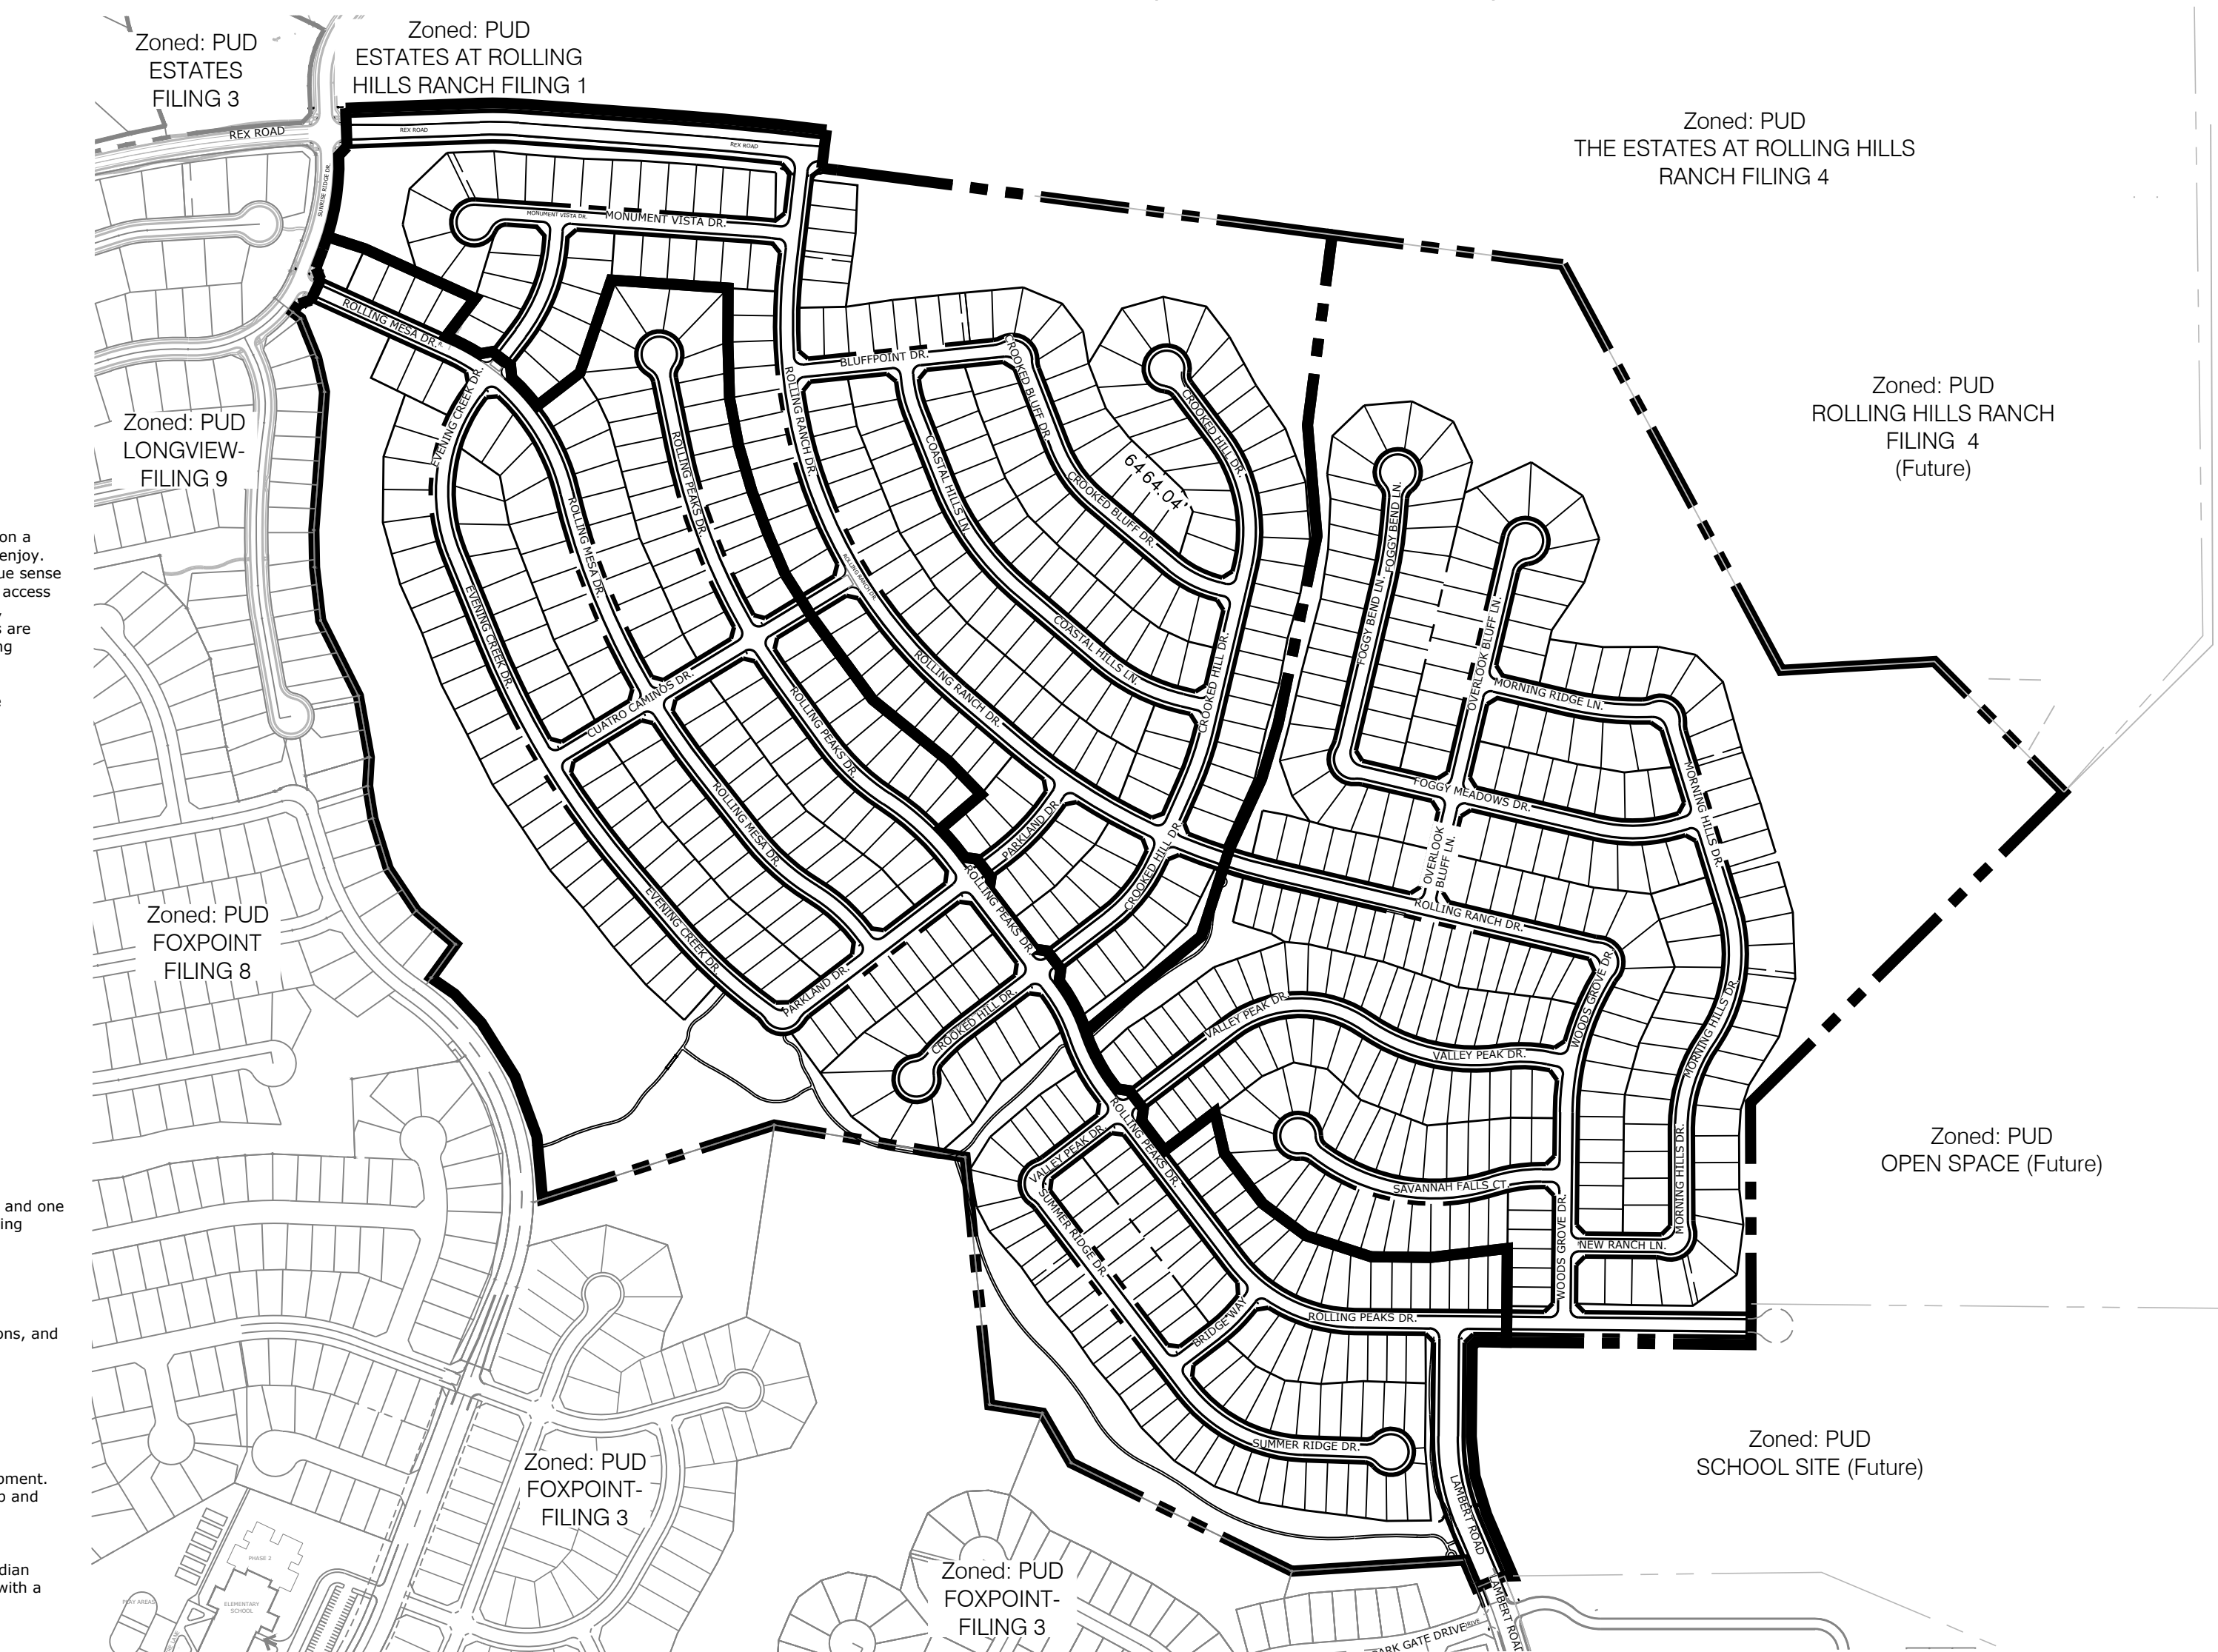

PUD MODIFICATION TABLE  
(AS ALLOWED BY LDC SECTION 4.2.6.(F)(2)(g))

	LDC/ECM Section	Category	Standard	Modification	Justification
1	LDC Chapter 8.4.3(B)(2) and ECM Section 2.5.2.4.C	Mid-block crossings	Access ramps on local roadways shall be spaced no greater than 600 feet apart.	Monument Vista Drive, Evening Creek Drive, Rolling Mesa Drive, Rolling Peaks Drive, Coastal Hills Lane, Crooked Bluff Drive, Crooked Hill Drive, Foggy Bend Lane, Rolling Ranch Drive, Foggy Meadows Drive, Morning Hills Drive, Valley Peak Drive, Savannah Falls Court & Summer Ridge Drive exceed 600 feet without a mid-block crossing	Adequate pedestrian accessibility is provided on both sides of the ROW with proper access ramps at the majority of the intersections. Additional trail and open space access provided improving upon access to all development amenities and overall pedestrian access to schools, open spaces and parks.
2	ECM Section 2.3.8.A	Roadway terminations - cul-de-sac length	Cul-de-sacs shall have a maximum length of 750 feet for urban conditions with no more than 25 lots.	Rolling Peaks Drive and Foggy Bend cul-de-sac exceeds 750 feet. Rolling Peaks has 28 total lots and Foggy Bend 34.	The Fire Dept. has reviewed the proposal and provided an appropriate and modified Will Serve Approval letter. The cul-de-sac provides community desired aesthetic with needed access and pedestrian connectivity.
3	ECM Section 4.4.5.E	Type 3 Mailbox Placement	Type 3 mailboxes and shall be located within the right-of-way dedication but outside the roadway clear zone.	The request for a deviation is to allow vehicles to park within the clear zone when accessing the Type 3 Mailbox locations.	Local and Local Low Volume streets allow for street parking of vehicles. This standard requires additional unnecessary street width, curb and gutter and sidewalk be installed that will then need to be maintained by the County. The regulation is unnecessary where street parking is allowed, requiring residents to temporarily park outside the clear zone when on-street parking within the clear zone is allowed on the same street section.
4	ECM Section 2.2.4.B.3	Urban Minor Arterial & 2.3.2 Design Standards by Functional Classification, Table 2-6	Construct Rex Road east of Sunrise Ridge Dr as an Urban 4 Lane Minor Arterial based on the 2016 MTP Map 14. 2016 Roadway Plan classification.	The alternative design is to construct Rex Road east of Sunrise Ridge Drive as a half section of the Urban Minor Arterial. Transition from a Residential Urban Collector to the half section east of Sunrise Ridge Dr continuing east to proposed Rolling Ranch Drive.	The previously recorded final plats for Estates at Meridian Ranch Filing 2 and Meridian Ranch Filing 3, located west of this project create a corridor of only 60' wide. This restriction provides sufficient room for an Urban Residential Collector and restricts the ability to construct the Urban Minor Arterial in this section west of the proposed project.

ROLLING HILLS RANCH FILINGS 1-3 AT MERIDIAN RANCH PUD DEVELOPMENT PLAN / PRELIMINARY PLAN

SECTION 20 AND 29, IN TOWNSHIP 12 SOUTH, RANGE 64 WEST OF THE 6TH PRINCIPAL MERIDIAN, EL PASO COUNTY, COLORADO.

GENERAL NOTES

- All streets shall be constructed to El Paso County standards, unless a specific waiver or deviation has been approved, dedicated to El Paso County for and upon acceptance by El Paso County shall be maintained by El Paso County Department of Transportation except of landscaping as indicated in note #2.
- Landscape entry features, open space tracts, parks and trails shall be owned (when appropriate) and maintained by the Meridian Service Metropolitan District. All double frontage lots shall receive a combination of berming, fencing, and landscape between the property line and the curb. All double frontage streets shall have a minimum of one tree per 30 feet of frontage. These trees can be clustered along the frontage as determined by the subdivder.
- Contour interval shown on plan 2'.
- Public utility/drainage easements shall be provided on all lots as follows:
  - Front: ten (10) feet
  - Side: five (5) feet
  - Rear: seven and one-half (7.5) feet
- Streets: Ten (10) feet easement along all areas when front easement is not appropriate.
- Subdivision Perimeter: Twenty (20) feet
- Tract Perimeter: Twenty (20) feet
- All open space/trail/landscape tracts shall be limited to non-motorized use only, except for maintenance and emergency vehicles.
- The FEMA Flood Insurance Rate Maps (FIRM Panel No. 08041C0552-G dated 12/07/2018) indicates that No 100 year floodplain is existing within the project area.
- Rolling Hills Ranch Filings 1-3 at Meridian Ranch is Subject to the previously approved Meridian Ranch Overall PUD Plan. Any PUD Development Plan amendment shall follow procedures of the Land Development Code as amended and/or separately implemented or otherwise adopted.
- Rolling Hills Ranch Filings 1-3 at Meridian Ranch is Subject to the approved Meridian Ranch Sketch Plan (SKP 17-001) approved 3-13-2018 and recorded 3-14-2018, reception number 218028979 (Resolution No. 18-104).
- Per the El Paso County Wildfire Hazards map, dated December 2007, Rolling Hills Ranch Filings 1-3 at Meridian Ranch is situated entirely within the Low Hazard - Non Forested category.
- Rolling Hills Ranch Filings 1-3 at Meridian Ranch shall be limited to a total of 725 single family lots.
- This subdivision is subject to the public right of way landscape license agreement for Meridian Ranch as recorded under reception no. 213036330 in the office of the clerk and recorder.
- This subdivision is included within the boundaries of the Woodmen Road Metropolitan District and shall not be required to participate in the El Paso County road impact fee program, in accordance with the provisions of the first amendment to intergovernmental agreement concerning Woodmen Road adopted pursuant to resolution no. 13-041.
- The PUD modification to remove the need for a midblock crossing is consistent with the following considerations identified in Section 4.2.6.F.2 of the Land Development Code:
  - Provision of a more efficient pedestrian system - pedestrian circulation within Meridian Ranch is focused on the provided trail system, and the project is designed to encourage the use of the trail system, rather than the sidewalks, where possible. A total of 22 crossing points are provided through out the project at all intersections. This is the most efficient and safest place to put a pedestrian crossing within the project.
  - Provision of additional open space - by encouraging the residents to use the trail system, the project provides better access to the open space in the development.
- Woodmen Road District Note: All property within this subdivision is within the boundaries of the Woodmen Road Metropolitan District and, as such, is subject to a mill levy, platting fees and building permit fees for the purpose of financing construction of specified improvements to Woodmen Road.
- Geologic Hazards Note: Areas of the proposed subdivision have been found to be impacted by geologic conditions including artificial fill, shallow groundwater, loose soils and expansive soils. Additional investigation after overland grading is recommended to address the possibility of shallow groundwater and potential mitigation. Mitigation and a map of the hazard areas can be found in the Soil, Geology and Geologic Hazard Evaluation Report prepared by Entech Engineering Inc., dated September 20, 2019.
- The non-revocable public improvement easement shown at the end of Rolling Peaks Drive cul-de-sac is intended for turn around and emergency response purposes. At such a time that Rolling Peaks Drive is extended by the adjacent property owner/developer and accepted by the County, the non-revocable public improvement easement for the cul-de-sac will be vacated, leaving a standard street ROW and the cul-de-sac improvements will be removed and replaced with a standard street section. The easement vacation, cul-de-sac removal and standard street section construction and site restoration is the responsibility of the owner/developer extending Rolling Peaks Drive.
- All roofdrains must discharge and drain through the landscape area of the lots, roofdrains can't drain over the driveway or be piped to the back of curb and gutter to ensure continued conformance with WQVC exclusion defined in ECM 1.7.1.1.C.
