El Paso County
Planning Department
2880 International Circle, Suite 110,
Colorado Springs, CO 80910

Letter of Intent – T-Mobile Microwave add – 15743 Phantom Canyon View, Colorado Springs, CO 80926

Dear El Paso Planning Department,

Fullerton Engineering Consultants, LLC, on behalf of T-Mobile and American Tower is submitting a request to modify the existing wireless facility noted above through the collocation, replacement and/or removal of the applicant's equipment for T-Mobile.

Owner Name: American Tower
Contact Number: 630-283-4433
Email: Jeffrey.Kurpiel@americantower.com

Applicant: Nora Geci
Contact Number: 217-636-4468
Email: ngeci@fullertonengineering.com

Property Address: **15743 Phantom Canyon View, Colorado Springs, CO 80926**
Current/Approved Zoning: **RR5**
Structure Type: **Self Support**

The proposed scope of work for this project includes:

TOWER WORK

Install: (1) VHLP2-11WA MW DISH, (1) IP20D-HP ODU, (1) 5/8" Power Cable and (1) 3/8" fiber cable

Existing: (2) 1.55" Hybrid cables to remain.

GROUND WORK

Existing T-Mobile Ground equipment to remain.

T-Mobile plans to modify the existing equipment on this tower to upgrade their current equipment in order to increase capacity and coverage for their customers in your area. Since we are not increasing the tower's height or expanding the current ground footprint, we believe this equipment collocation is considered eligible facilities request for a minor modification under Section 6409 of the Spectrum Act of 2012.

Sincerely,

Nora Geci
Project Lead
