The property described above, in good order, except as noted (contents and condition of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under contract) agrees to carry to the usual place of delivery at said destination, if on its route, otherwise to delivery to another carrier on the route to said destination. It is mutually agreed as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each part at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Uniform Freight Classification in effect on the date hereof, if this is a rail shipment, or (2) in the applicable motor carrier classification or tariff if it is a motor carrier shipment. Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns. This lading is the property of the shipper. It is illegal to divert from the destination shown without express authority of the shipper. The paper bags used for this shipment conform to the specifications and rules set forth in the governing Rail and Motor Classifications. If the shipment moves by rail, the description and weight indicated on this bill of lading are correct, subject to verification by the Eastern, Western or Southern Weighing & Inspection Bureau, whichever has jurisdiction according to agreement.
