RESIDENTIAL SITE PLAN CHECKLIST

Revised: January 2022

Site Plan Map		Applicant	PCD
The Residential Site Plan shall apply to requests for approval of new single-family residential development, residential additions, and accessory living quarters.			
Site plan shall be drawn so as to clearly provide the required information. All site plans for lots and parcels less than 2.5 acres are to be drawn to scale and include a written and graphic scale.			
Minimum Map Contents: Must contain adequate information to determine compliance of the proposed use with the LDC and ECM, as applicable. If inadequate information is provided to determine whether or not the proposed action conforms to the LDC, more information will be requested. A PUD Development Guide associated with PUD zoning, if applicable, may require additional information and/or specifications to be addressed with the residential site plan			
The PCD Director may modify the applicable requirements, including requiring additional items or removing items, based upon the project and site-specific circumstances.			
NOTE: Please confirm each item below has been included by placing a check mark in the "Applicant" column. See right for an example. The "PCD" column is for office use only.		V	Office use only
