**Subject: Trails at Aspen Ridge Filing 4 Trip Generation Comparison Letter
 PCD File No. SF-21-024**

Dear Mr. Buschar,

Matrix Design Group (Matrix) submitted a traffic impact study addendum to El Paso County dated February 2, 2021 and revised April 16, 2021 analyzing the impacts for the entirety of the Trails at Aspen Ridge development (PUDSP-21-003). Filing 4 was analyzed as Filing 6 in the February 2021 and April 2021 reports. The proposed number of single-family dwelling units in Filing 4 remains 124. The findings from the February 2021 addendum that was revised in April 2021 are still valid for the entirety of the project as the number of units in Filing 4, formerly known as Filing 6 remains the same.

The findings from the February 2021 addendum that was revised in April 20s1 should be considered valid for Filing 4 since the number of dwelling units has not changed.

Please let me know if you have any questions at Scott.Barnhart@matrixdesigngroup.com or (719) 575-0100. Thank you.
