Subject: Richardson Adjustment Review 1 Updates

The purpose of this letter is to provide the updates to the documentation that has been requested.

1. (Updates) EPCD

General

- 1) Tax Valorem has been updated
- 2) The text that was cut off has been hand written.
- 3) The Check mark that shows for the acreage has been replaced with a hand written 2.5 Acres.
- 4) I do not find any extra pages at the end of the PDF Title on my side but I have uploaded them all again.
- 5) A certified letter has been sent to Hilcorp Energy I, L, P, the same letter was sent to Nina Ruiz at PPRBD.
- 6) I have re-drawn the site plan with the requested dimensional changes.
- 7) The extra 10' on the closure was discussed with Polaris Surveying Inc. and the corrections have been made.

2. (Update) PPRBD Polaris Surveying Inc. has added the entire address to the Drawings to indicate the address for both lots. The floodplain statement has been addressed.
