Yes, the church is trying to put together funds for the addition and will now do it later on.

Hello,

Thank you for following up on this submission! I apologize for the delay; I was out sick Monday and Tuesday.

Looking at the submission, is it correct that the building addition is no longer part of the proposal?

Thank you,

Miranda Benson

Hello,

I am wondering if something has gone wrong in EDARP. I resubmitted PPR265 on 9.25.26 at 6:39 am and it is still showing as not being triaged. Can you please take a look? Thank you!
