Subject: Permission to Enter Upon Academy Gateway II, LLC Land

Good afternoon John;

I'm responding to your request in my capacity as manager of Academy Gateway II, LLC. Academy Gateway II, LLC grants you permission to enter upon its property adjacent to Lot 3 during your site preparation and building construction of My Place Hotel. We understand that you may need this access to perform necessary grading, etc., and you have to provide evidence of this consent to El Paso County.

Feel free to show this email to Kari or any other County representative; and should they have any questions, they should feel free to contact me regarding this consent. Regards,

James Robert Barash
