*fee reduced to \$1037 per C/D

I realize we haven't dealt with matter in a timely fashion. We would like to do the special permit but with life being what it is we have run into some issues. Earlier in the year I have had a couple of surgeries, my husband had back surgery in June and can't work yet. August 27th I will be having another surgery and will be out of work for 6 to 8 weeks at least which now means there will be a shortage of money. Is there some way we can have a reduced fee, maybe 500 would work. I really need to keep my dogs as most are seniors ages ranging 10 to maybe 14. I have 3 that are 3 and raised two of them from birth. I no longer bring in dogs from any rescue to hold till they find a permanent home. Which I wasn't aware of I couldn't I got told by many people I could have dogs here, never knew there was a limit. I am will to work with you people but just don't have the funds right now to pay over 2 grand

Thank you
