**SUBJECT:** Letter of Intent

**To whom it may concern:**

I am writing this letter to inform you that I would like to start a service and sporting goods business that will be located at my primary residence address of 9607 Summer Sky Ln, Peyton, CO 80831. I am planning to provide firearms related services as a Federal Firearms License (FFL) holder, including firearm background checks and online/out-of-state retail sales. I am in the process of transferring my FFL from Wyoming to Colorado. I have been an FFL holder and involved in this type of business and licensed by the Bureau of Alcohol Tobacco Firearms and Explosives (BATFE), commonly known as the ATF, since April of 2013. I have conducted this business in Colorado (El Paso County), Arizona (Maricopa County), and Wyoming (Park County) over those years. I am knowledgeable in all aspects and legal requirements for this type of business. This will be a part-time business.

I would like to request a Home Occupation Certificate so that I can start business operations immediately.

Thank you for your kind consideration.

Sincerely,

A handwritten signature in black ink, appearing to read "Kevin Wilson".
