Re: Dish Wireless site – DNDEN00250B
 14 E Clover Cir
 Parcel 6505104061

Dish is seeking approval for a proposed co-location onto an existing 140'-0" Stratmoor Hills Water Tower. All antennas and associated equipment will be mounted at 90'.

Scope of work includes –

- (3) New 6' H antennas
- (6) New RRHs
- (1) New OVP
- (1) New equipment cabinet on steel platform at grade within new 35 sq. ft. lease area.
- (1) New GPS antenna mounted to the equipment cabinet.

All new antennas and equipment will be painted to match the existing water tower.

Please note I am applying on the behalf of Dish Wireless. Please contact me with any question or comments on our submittal.

Thank you,

Ashley Christensen

 achristensen@csainet.com

Please add a statement confirming the proposed activity will not adversely impact adjacent properties or existing drainage patterns.

Please add a statement confirming the proposed activity will not increase the ADT into the site over 100 trips. (One car entering the site and then leaving the site is two trips).

Per proposed work shown on the Site Plan applicant shall contact EPC Department of Public Works to verify requirements on applying for a Work in Right-of-Way permit.
