

PRELIMINARY PLAN (RECOMMEND APPROVAL)

Commissioner Fuller moved that the following Resolution be adopted:

**BEFORE THE PLANNING COMMISSION  
OF THE COUNTY OF EL PASO  
STATE OF COLORADO  
RESOLUTION NO. SP-20-008  
Homestead North Phase 1 Preliminary Plan**

WHEREAS, SR Land, LLC did file an application with the El Paso County Planning and Community Development Department for the approval of the Homestead North Phase 1 Preliminary Plan for property in the unincorporated area of El Paso County as described in Exhibit A, which is attached hereto and incorporated herein by reference; and

WHEREAS, a public hearing was held by this Commission on May 5, 2022; and

WHEREAS, based on the evidence, testimony, exhibits, consideration of the master plan for the unincorporated area of the County, presentation and comments of the El Paso County Planning and Community Development Department and other County representatives, comments of public officials and agencies, comments from all interested persons, comments by the general public, and comments by the El Paso County Planning Commission Members during the hearing, this Commission finds as follows:

1. The application was properly submitted for consideration by the Planning Commission.
2. Proper posting, publication and public notice were provided as required by law for the hearing before the Planning Commission.
3. The hearing before the Planning Commission was extensive and complete, that all pertinent facts, matters and issues were submitted and that all interested persons and the general public were heard at that hearing.
4. All exhibits were received into evidence.
5. The proposed subdivision is in general conformance with the goals, objectives, and policies of the Master Plan.
6. The subdivision is consistent with the purposes of the Land Development Code.

7. The subdivision is in conformance with the subdivision design standards and any approved sketch plan.
8. Sufficiency: A conditional sufficient water supply has been acquired in terms of quantity, and dependability and water sufficient for water quality for the type of subdivision proposed, as determined in accordance with the standards set forth in the water supply standards [C.R.S. §30-28-133(6)(a)] and the requirements of Chapter 8 of the Land Development Code.
9. A public sewage disposal system has been established and, if other methods of sewage disposal are proposed, the system complies with State and local laws and regulations [C.R.S. §30-28-133(6)(b)] and the requirements of Chapter 8 of the Land Development Code.
10. All areas of the proposed subdivision, which may involve soil or topographical conditions presenting hazards or requiring special precautions, have been identified and the proposed subdivision is compatible with such conditions [C.R.W. §30-28-133(6)(c)].
11. Adequate drainage improvements complying with State law [C.R.S. §30-28-133(3)(c)(VIII)] and the requirements of the Land Development Code and the Engineering Criteria Manual are provided by the design.
12. Legal and physical access is or will be provided to all parcels by public rights-of-way or recorded easement, acceptable to the County in compliance with the Land Development Code and the Engineering Criteria Manual.
13. The proposed subdivision has established an adequate level of compatibility by (1) incorporating natural physical features into the design and providing sufficient open spaces considering the type and intensity of the subdivision; (2) incorporating site planning techniques to foster the implementation of the County's plans, and encouraging a land use pattern to support a balanced transportation system, including auto, bike and pedestrian traffic, public or mass transit if appropriate, and the cost effective delivery of other services consistent with adopted plans, policies and regulations of the County; (3) incorporating physical design features in the subdivision to provide a transition between the subdivision and adjacent land uses; (4) incorporating identified environmentally sensitive areas, including but not limited to, wetlands and wildlife corridors, into the design; and (5) incorporating public facilities or infrastructure, or provisions therefor, reasonably related to the proposed subdivision so the proposed subdivision will not negatively impact the levels of service of County services and facilities.
14. Necessary services, including police and fire protection, recreation, utilities, open space and transportation system, are or will be available to serve the proposed subdivision.
15. The subdivision provides evidence to show that the proposed methods for fire protection comply with Chapter 6 of the Land Development Code.

16. The proposed subdivision meets other applicable sections of Chapters 6 and 8 of the Land Development Code.
17. All data, surveys, analyses, studies, plans, and designs as are required by the State of Colorado and El Paso County have been submitted, reviewed, and found to meet all sound planning and engineering requirements of the El Paso County Subdivision Regulations.
18. That the proposed subdivision of land conforms to the El Paso County Zoning Resolutions.
19. That for the above-stated and other reasons, the proposed subdivision is in the best interest of the health, safety, morals, convenience, order, prosperity and welfare of the citizens of El Paso County.

NOW, THEREFORE, BE IT RESOLVED that the Planning Commission recommends approval of the application for a preliminary plan of Homestead North Phase 1

AND BE IT FURTHER RESOLVED that the Planning Commission recommends the following conditions and notation(s) be placed upon this approval:

**CONDITIONS**

1. Applicable traffic, drainage and bridge fees shall be paid with each final plat.
2. Applicable park fees shall be paid with each final plat.
3. The developer shall comply with federal and state laws, regulations, ordinances, review and permit requirements, and other agency requirements, if any, of applicable agencies including, but not limited to, the Colorado Parks and Wildlife, Colorado Department of Transportation, U.S. Army Corps of Engineers and the U.S. Fish and Wildlife Service regarding the Endangered Species Act, particularly as it relates to the Preble's Meadow Jumping Mouse as a listed species.
4. The subdivider(s) agrees on behalf of him/herself and any developer or builder successors and assigns that Subdivider and/or said successors and assigns shall be required to pay traffic impact fees in accordance with the Countywide Transportation Improvement Fee Resolution (Resolution 19-471), as amended, at or prior to the time of building permit submittals. The fee obligation, if not paid at final plat recording, shall be documented on all sale documents and on plat notes to ensure that a title search would find the fee obligation before sale of the property.
5. The County Attorney's Conditions of Compliance shall be adhered to at the appropriate time.

6. Open space buffers shall be no less than what is graphically depicted on the October 2008 Amended Sketch Plan Map in subsequent final plat(s) submittal.
7. The developer shall obtain approval of the necessary pre-development site grading construction documents prior to scheduling a preconstruction meeting with the Planning and Community Development Department Inspections staff.
8. The developer shall participate in a fair and equitable manner in offsite transportation improvements, including but not limited to the items listed in Table 3 of the Homestead North Phase 1 Updated Traffic Impact Study, dated January 11, 2022, to be verified with an updated traffic impact analysis or memorandum as appropriate with each final plat in Homestead North at Sterling Ranch.
9. Vollmer Road and Briargate Parkway adjacent to and within the preliminary plan shall be improved to meet the minimum standards of an arterial roadway with development of the Homestead North area, in accordance with the Engineering Criteria Manual. These road improvements will be required with access permitting for the associated final plat. The necessary road improvements, including offsite improvements, and phasing will be identified with the first final plat in Homestead North. These road improvements may be subject to reimbursement as outlined in the El Paso County Road Impact Fee Program.
10. Sand Creek adjacent to and within the Homestead North preliminary plan area shall be stabilized to meet the minimum standards of the Drainage Criteria Manual and the Engineering Criteria Manual. Approval of the Sand Creek channel design plans from Briargate Parkway north to the Sterling Ranch boundary shall be obtained prior to final plat approval. The associated Financial Assurance Estimate for this segment of channel improvements shall be approved and financial assurances provided prior to recording the first plat in the Homestead North development area.

## **NOTATIONS**

1. Subsequent final plat filings may not be approved administratively by the Planning and Community Development Director.
2. Approval of the Preliminary Plan Amendment will expire after twenty-four (24) months unless a final plat has been approved and recorded or a time extension has been granted.
3. Preliminary plans not forwarded to the Board of County Commissioners for consideration within 180 days of Planning Commission action will be deemed to be withdrawn and will have to be resubmitted in their entirety.

BE IT FURTHER RESOLVED that the Resolution and recommendations be forwarded to the El Paso County Board of County Commissioners.

Commissioner Lucia-Treese seconded the adoption of the foregoing Resolution.
