Agenda Item Summary Form

Agenda Item Title: Homestead North at Sterling Ranch Phase I Preliminary Plan

Agenda Date: January 13, 2021

Agenda Item Number:

Presenter: Ross Williams, Park Planner

Information: **Endorsement:** X

Background Information:

This is a request by N.E.S., Inc. on behalf of SR Land, LLC, for endorsement of the Homestead North at Sterling Ranch Phase I Preliminary Plan, which includes 147 single-family residential lots on 60.62 acres. The property is currently zoned RR-5, but the applicant is concurrently requesting a rezone to RS-6000. It is located along Vollmer Road, north of Woodmen Road and west of Meridian Road.

The 2013 El Paso County Parks Master Plan shows a proposed regional trail connection impacted by the project. The proposed Sand Creek Primary Regional Trail alignment traverses generally north-south through the eastern portion of the property, along the western bank of Sand Creek. Furthermore, the proposed Vollmer Road Bicycle Route is located immediately west of the project location. A dedicated public right-of-way already exists along the aforementioned bicycle route, so no easement requests are necessary at that location; however, the applicant is advised that multi-modal transportation options will be developed within the rights-of-way in the future. The property is not located within any candidate open space land, as the Black Forest South Candidate Open Space is located approximately 0.75 miles to the northwest.

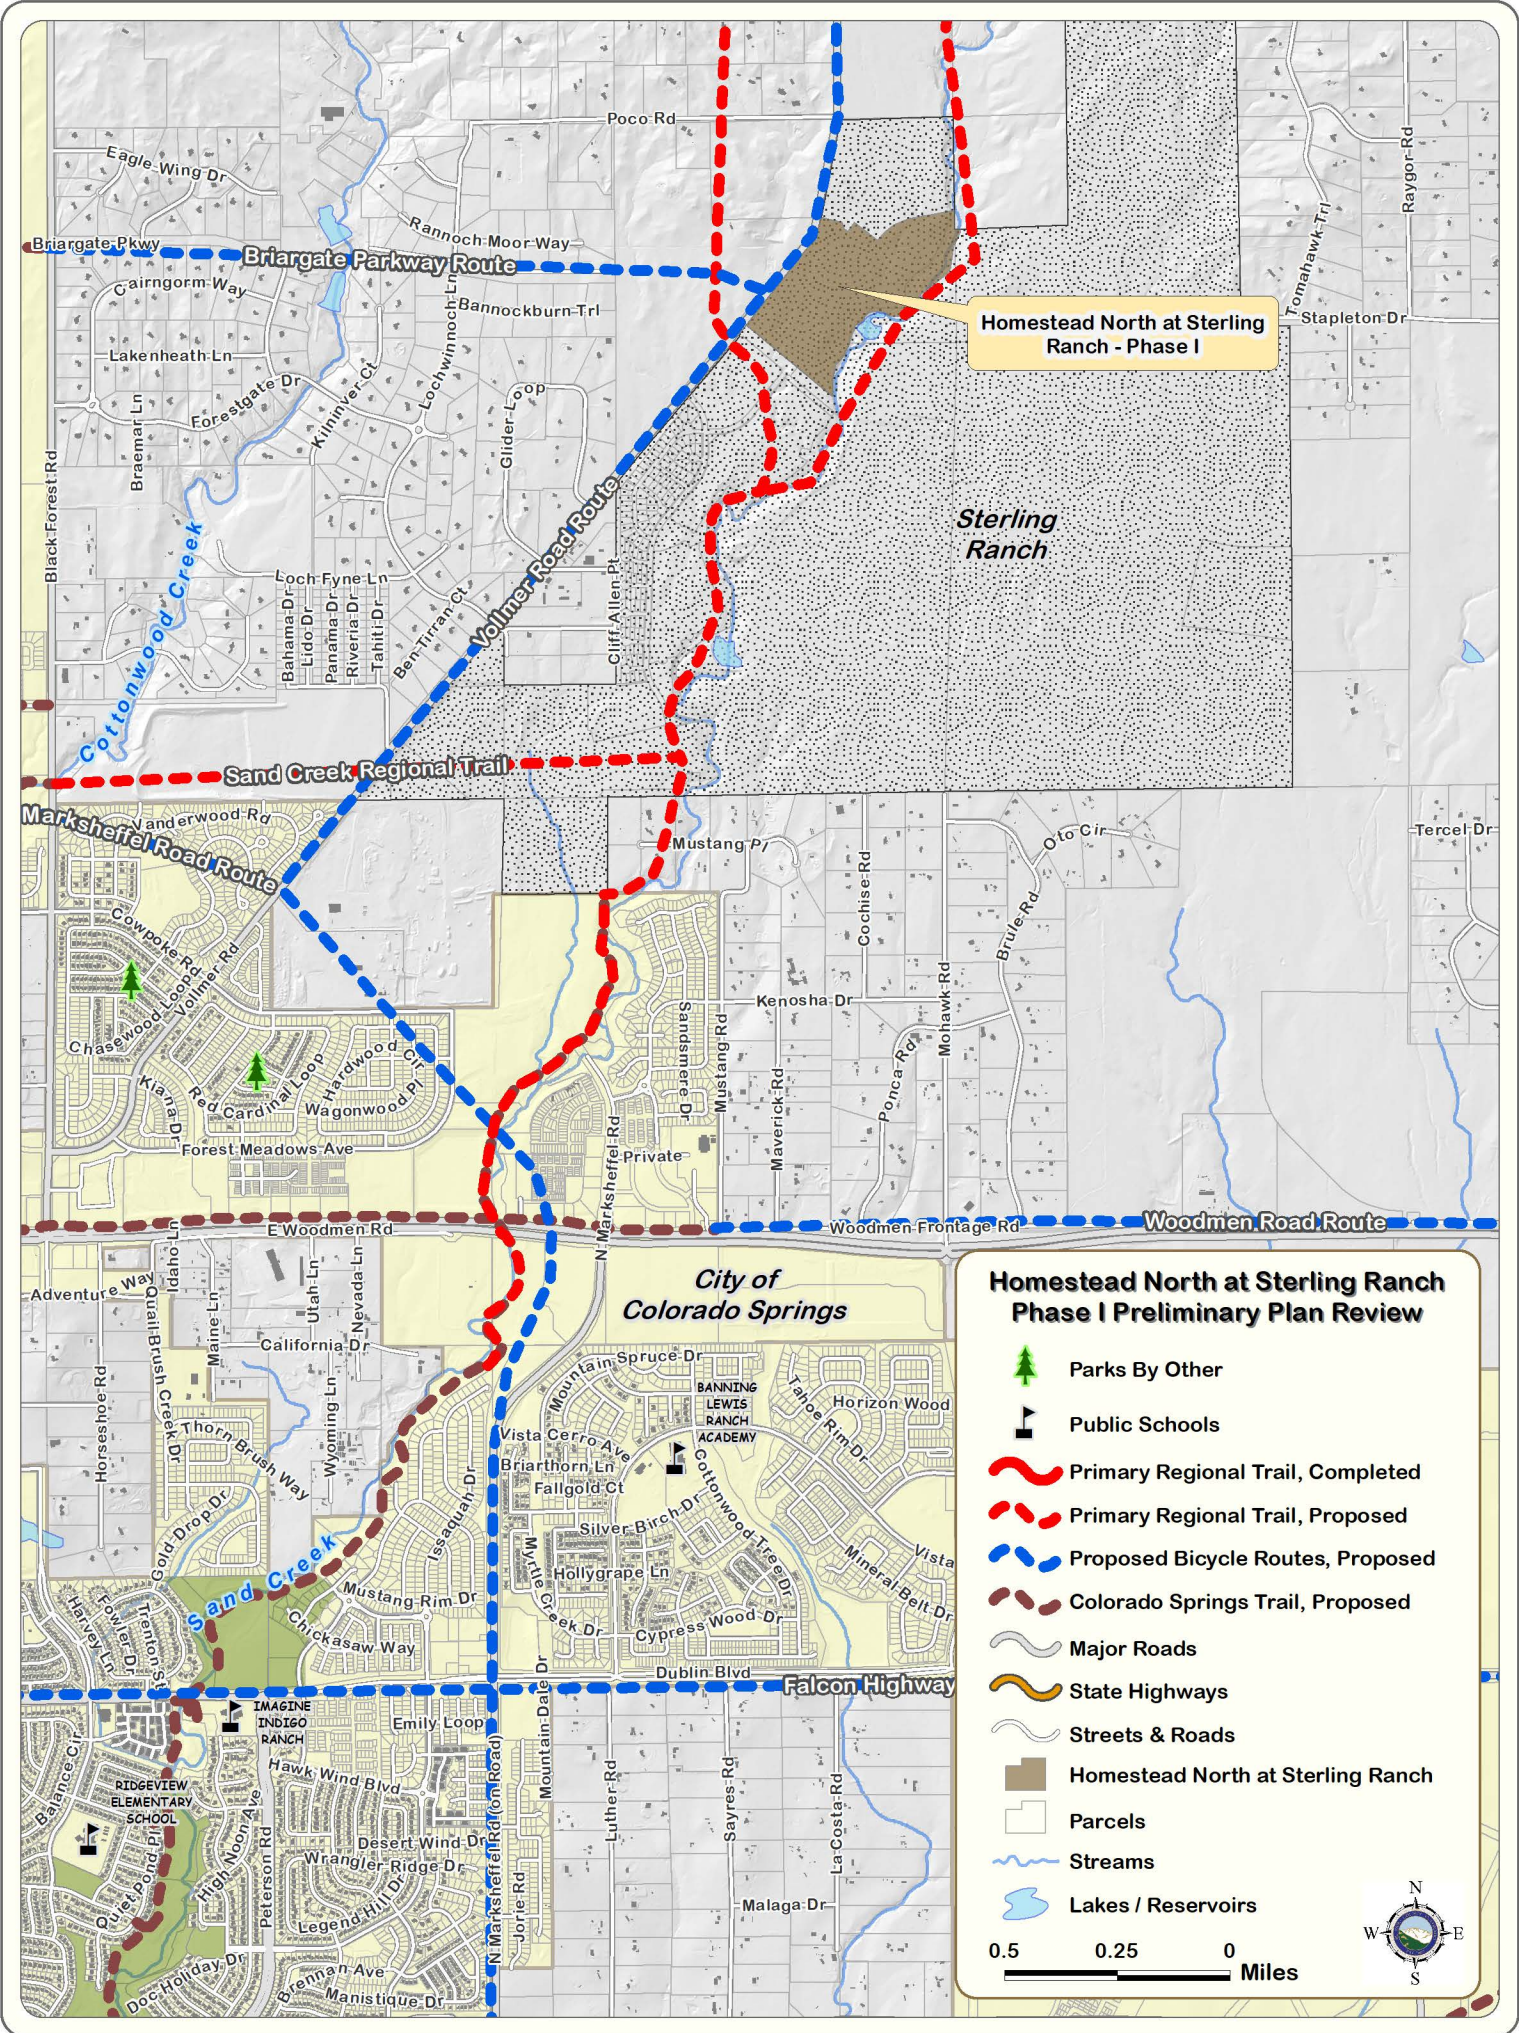

Homestead North at Sterling Ranch Phase I contains 22.27 acres dedicated to open space, parks, trails, and landscape tracts, comprising 37% of the total project area, although the El Paso County Land Development Code's 10% open space requirement is not applicable to projects that are not zoned PUD. A 0.87-acre neighborhood park is planned for Tract B, while the tract table also lists a park for Tract F, the same tract in which the Sand Creek Regional Trail is located. The exact location for this second park is not identified in the Preliminary Plan or Landscape Plan, although the Sterling Ranch Sketch Plan Amendment shows a park located along Sand Creek. Due to the inclusion of these parks in the Preliminary Plan, the applicant is encouraged to request a Park Lands Agreement to waive urban park fees in exchange for the development of the aforementioned neighborhood recreational opportunities.

The proposed Sand Creek Regional Trail is depicted in the Preliminary Plan, and labeled as "10' County Gravel Trail," although when constructed, the trail will follow EPC Parks Tier I Trail standards with an 8' wide crusher fine trail surface with 2' natural shoulders. The Preliminary Plan also shows concrete sidewalks/trails located adjacent Vollmer Road and the future Briargate Parkway extension. These non-County trails will allow for direct off-street connectivity to the Sand Creek Regional Trail for the residents and visitors of Sterling Ranch.

Due to the location of the Sand Creek Primary Regional Trail within the Homestead North at Sterling Ranch Phase I development, El Paso County Parks staff recommends that the applicant designate, provide, and dedicate to El Paso County a 25-foot trail easement that allows for the construction and maintenance of the regional trail. Furthermore, staff recommends fees in lieu of land dedication for regional and urban park purposes.

Recommended Motion (Preliminary Plan):

The Park Advisory Board recommends that the Planning Commission and the Board of County Commissioners include the following conditions when considering and/or approving the Homestead North at Sterling Ranch Phase I Preliminary Plan: (1) designate and provide to El Paso County a 25-foot trail easement through Homestead North at Sterling Ranch, within Tract F, that allows for construction and maintenance of the Sand Creek Primary Regional Trail, and dedicate the easement to El Paso County prior to the recording of the forthcoming final plat(s); 2) include descriptions, drawings, and locations of the two neighborhood parks in the Letter of Intent and Preliminary Plans, respectively; 3) fees in lieu of land dedication for regional park purposes in the amount of \$68,649 and urban park fees in the amount of \$43,365 will be required upon recording of the forthcoming final plat(s). A Park Lands Agreement may be an acceptable alternative to urban park fees, provided the agreement is approved by the County and executed prior to recording the forthcoming final plat(s).
