Commitment Letter

Dear Ms. Ruiz:

Mountain View Electric Association, Inc. (MVEA) has these comments about the following:

Project Name: 824 Acre Curtis Road Subdivision

Description: It is proposed to develop an approximately 824 acre parcel with up to 250 residential lots with lots ranging from 2.5 to 5 acres each. This development is located south of Judge Orr Road and east of Curtis Road. These parcels are located in Section 03, Township 13 South, Range 64 West and Section 10, Township 13 South, Range 64 West.

This area is within MVEA certificated service area. MVEA will serve this area according to our extension policy. Information concerning connection requirements, fees and upgrades under MVEA line extension policy can be obtained by contacting the Engineering Department of MVEA.

MVEA requests a ten (10) foot front, side and rear lot utility easement along with a twenty (20) foot exterior easement on plat. If open space, drainage and landscape tracts are designed in this filing MVEA requests these areas be listed to include utilities. Additional easements may be required once a review of civil drawings with grading and erosion plan is provided to MVEA in order to serve this filing.

MVEA has existing facilities near these parcels of land. If there is any removal or relocation of facilities it will be at the expense of the applicant.

If additional information is required, please contact our office at (719) 495-2283.

Sincerely,

Cathy Hansen-Lee
Engineering Administrative Assistant
