RE: 4065 Crosslen Lane, Colorado Springs CO. 80908 / Schedule # 6214000119

This letter is to request the acknowledgement from El Paso Planning and Community Development that a home can be built on this property. The lot was subdivided prior to 1972. I have attached a copy of the warranty deed from 1965 along with a warranty deed from 2017. The current owners of the land purchased this property in 2017. The legal description is the same on both documents. Attached also is a copy of the current well permit that was issued by the Colorado Division of Water.

Respectfully,

A handwritten signature in black ink, appearing to read 'Kevin Bristow', with a long, wavy horizontal line extending to the right.
