***RE: Letter of Intent– MVEA Vollmer N***

Dear Planning and Community Development,

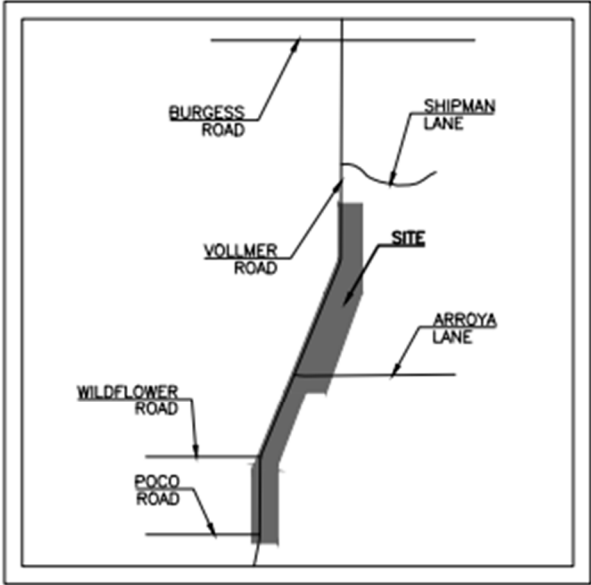

Mountain View Electric Association, Inc (MVEA) will be constructing a 12.5 kV underground electrical distribution feeder line beginning at the intersection of Burgess Rd. and Vollmer Rd. There will be a small amount of earthwork near the intersection with most of the underground installation taking place south of Shipman Ln and terminating at Poco Rd. The distribution line is in Sections 21 & 22, Township 12 South, Range 65 West of the 6<sup>th</sup> P.M. Maps are shown below.

Please contact me for project all project related questions.
